Re: Authority to Promulgate Amendments to the Voluntary Remediation Program Regulations (9 VAC 20-160)

Dear Director Paylor,

I have reviewed the above-referenced regulations. It is my opinion that the Waste Management Board has the authority to promulgate amendments to the regulations under applicable law including Chapter 12.1 of Title 10.1. It is also my view that these amendments are exempt from the requirements of Article 2 of the Administrative Process Act pursuant to Chapter 366 of the 2014 Acts of Assembly.

If I may be of any further assistance to you relating to this matter, please do not hesitate to contact me.

Sincerely,
