

SUMMARY OF FINAL REGULATION

Regulations Governing the Practice of Dentistry and Dental Hygiene

18 VAC 60-20-10 et seq.

The Board of Dentistry is amending 18 VAC 60-20-20 of its regulations in order to correct an error that was made in the promulgation of regulations which became effective on December 23, 1998. The Code of Virginia (§§ 54.1-2713 and 54.1-2715) specifies that a license to teach dentistry or a temporary permit to practice dentistry expires on the second June 30th after issuance. When regulations were amended in 1998, those two categories of licensure were inadvertently included with other licenses or permits that expire on March 31st of each year. The regulation must be corrected in order to remain in compliance with the law.
