SUBJECT: Fast Track Regulations to transfer foster care and adoption assistance children to the Medicaid Managed Care program (3699/6199)

I am in receipt of the attached regulations to transfer foster care and adoption assistance children in the Commonwealth from the Medicaid fee-for-service to the Medicaid managed care program. You have asked the Office of the Attorney General to review and determine if DMAS has the legal authority to promulgate these regulations and if the regulations comport with state and federal law.

Based on that review, it is my view that the Director, acting on behalf of the Board of Medical Assistance Services pursuant to Virginia Code §§ 32.1-324 and 325, has the authority to promulgate these regulations subject to compliance with the provisions of Article 2 of the Administrative Process Act and has not exceeded that authority.

Pursuant to Va. Code § 2.2-4012.1, if an objection to the use of the fast-track process is received within the public comment period from 10 or more persons, any member of the applicable standing committee of either house of the General Assembly or of the Joint Commission on Administrative Rules, DMAS shall (i) file notice of the objection with the Registrar of Regulations for publication in the Virginia Register, and (ii) proceed with the normal promulgation process set out in this article with the initial publication of the Fast-Track regulation serving as the Notice of Intended Regulatory Action.
