

FINAL MINUTES
Milk Commission Meeting Held February 20, 2019

Minutes of the meeting of the Milk Commission, held at the Department of Forestry located at 900 Natural Resources Drive, Charlottesville, VA 22903.

THE COMMISSION:

PRESENT:

Gerald Heatwole, Chairperson; James Kerr, Commissioner; Jessica Jones, Commissioner

ABSENT:

Carolyn Carlson, Commissioner; Brian Linney, Commissioner; Bruce Mayer, Commissioner; Rodrigo Velasquez, Commissioner.

STAFF PRESENT:

Crafton Wilkes, Administrator

Mr. Heatwole called the meeting to order at 1:30 p.m.

Mr. Heatwole asked for a motion to accept the minutes from the previous meeting. Dr. Jones so moved and Mr. Kerr seconded the motion. The minutes were accepted as presented at the meeting.

Mr. Wilkes gave a review of Class I and Class II sales and pricing. Forecasts continue to show average prices up about \$1.00 over 2018, but oversupply will still present challenges in the current year. Eric Paulson, representing the Virginia State Dairymen's Association, also noted that the recently passed 2019 Farm Bill featured several changes that should also provide relief to dairy farmers.

Mr. Wilkes presented and discussed the 2019 established bases as required by regulation. 2VAC15-20-40 states that producer base cannot exceed 108% of the average monthly pounds of Class I sales for all months excluding June, July, and August. In 2018 producer base was 107.6% of sales, so an adjustment was not necessary. In addition, Mr. Wilkes requested that those farms that failed to meet the production requirement during the months of September, October, and November be granted an exception from having their shortage escrowed. Both Mr. Heatwole and Mr. Kerr agreed that the weather was especially bad for growing quality feed, and a variety of factors outside of the control of the farms had significant effects on production last fall. Having considered all factors relative to the establishment of the 2019 base adjustments, upon a motion by Dr. Jones and seconded by Mr. Kerr, the Commission voted to keep the established producer base unchanged in 2019 and forgive any base production shortage from escrow. The amount of base for the months of June, July and August shall be equal to 91% of the established base. The 2019 base allotments, in total by cooperatives, as listed below, are therefore established for the existing baseholding producers, effective March 1, 2019:

| 2019 Base | <u>9-Month</u> |
|--|-------------------|
| <u>Cooperative</u> | |
| Cooperative Milk Producers Association | 15,943,780 |
| Cumberland Valley Milk Producers Association | 257,104 |
| Dairy Farmers of America – Southeast | 28,626,004 |
| Dairy Farmers of America – Northeast | 474,960 |
| Land O'Lakes, Inc. | 797,107 |
| Maryland and Virginia Milk Producers Association | 20,757,409 |
| Mount Joy Farmers Cooperative Association | 242,530 |
| Lanco-Pennland Quality Milk Producers | 2,564,976 |
| TOTAL | 69,663,870 |

The meeting opened for public comment. There was no public comment.

The next Commission meeting is tentatively scheduled for 1:30 p.m. on Thursday, June 20, 2019 in McGaheysville.
