NEW BUSINESS

1. Athletic Trainer and Support Staff Use of Hand Held Fluoro Machines-Joyce Hawkins, RT

This topic was generated by an inquiry from a radiological technologist. After discussion, Board staff stated that this matter will be brought to the attention of the Advisory Board on Athletic Training. Dr. Harp stated that an item would be in the next Board newsletter regarding fluoroscopy. Ms. Hawkins will send a reply to the individual that inquired.

2. Physician Assistants Performing Fluoroscopy Procedures without Certification-Joyce O. Hawkins, RT

After a discussion, Board staff stated that this matter will be brought to the attention to the Advisory Board on Physician Assistants. Dr. Harp stated that an item would be in the next Board newsletter regarding fluoroscopy.

3. Identification of Radiologic Technologists - Joyce O, Hawkins, RT

The Advisory Board requested the fact that Nuclear Medicine and Radiation Therapy professionals are not trained in radiography be clarified in the 'Definitions' of the regulations and, if need be, in the Code of Virginia.

Jan Clark moved that this matter be tabled for a future meeting in order to allow agency staff to draft language making this distinction for presentation to the Full Board for review. The motion was seconded and carried.
