Ambulance Standard Review	<p>After discussion it was determined that selection of either standard would be difficult without further comparison.</p> <p>A motion was made by Sam Dahl, second by Matt Embrey to review each standard, NFPA and CAAS specifications to determine the best path for Virginia to follow. Motion passed.</p> <p>After further discussion the Committee agrees that completing the review of each during a regular meeting would not allow sufficient time. It was decided that the Committee would be divided into Two work groups to review each standard.</p> <p>Group 1- Bob Montminy, Matt Embrey, George Langford, Sam Dahl. This group will compare the NFPA standard to the CAAS standard.</p> <p>Group 2- Warren Winner, Billy Altman, Denny Kincade, Andy Dunford. This group will compare the CAAS standard to the NFPA standard.</p> <p>The Committee also decided that there should be an additional meeting date established to report the work group findings as the next scheduled meeting includes Grant Reviews and would not allow sufficient time.</p>	Additional meeting date of September 28th beginning at 10:00 AM was added.
Work Groups	The meeting was recessed at 11:10 AM to allow each group to meet to and discuss the standards and establish a review process for each. Meeting reconvened at 2:45 PM with each group reporting that review has begun and each will complete and present their findings at the September meeting.	
Next meeting	September 28 th beginning at 10:00 AM.	Executive Secretary will be notified of additional meeting.
PUBLIC COMMENT	None	
Adjournment	Meeting adjourned at 2:55 PM
