		up; Responsible Person	
	 Concern that trauma is trying to take over the EMS system 	next meeting.	
	Fear of losing their voice	Sherry Stanley will send out the	
	Those fears were countered by the group because EMS is one small part of the entire trauma system.	spreadsheet with the EMS	
	The group also discussed the use of evidence based practice to drive pre-hospital trauma care.	protocols for the group to review	
		prior to the next meeting.	
Committee Composition	The group discussed the task assigned by the TSO&MC Chair to determine if our group should become	No action taken. Quorum not	
	a standing committee and what would the composition look like.	present. To be discussed at the next	
	Group discussion:	meeting.	
	Committee representation needs to be from all regions of the Commonwealth		
	Representation from each EMS council		
	EMS council executive committee representative		
	OMDs from both paid and volunteer agencies		
	Ultimately the group determined that the composition should consist of membership from the following		
	(pending further discussion when a quorum is met):		
	Trauma PI Committee Member		
	Burn Representative		
	Pediatric Representative		
	• 4 OMDs (with set requirements to be met to insure diversity)		
	Level 1 trauma center representative		
	Level 2 trauma center representative		
	Level 3 trauma center representative		
	 Air Medical representative (one of the OMD representatives can fill this role) 		
	Member of the community		
	Critical Access Hospital representative		
	Private Transport representative		
PUBLIC COMMENT	None		
UNFINISHED BUSINESS	None		
NEW BUSINESS	None		
Adjournment	Meeting was adjourned at 1300.		
	Next meeting April 20, 2017 at 1000 at the Virginia OEMS Building, Glen Allen Virginia.
