MEMORANDUM

To: Thomas E. Rice, Chairman
Board for Geology
Department of Professional and Occupational Regulation

David E. Dick, Executive Director
Board for Geology
Department of Professional and Occupational Regulation

From: Eric A. Gregory
Assistant Attorney General

Date: November 28, 2004

Subject: Letter of Assurance for Changes to Board for Geology Rules and Regulations

I have reviewed the proposed changes to the Rules and Regulations of the Board for Geology that were posted on Town Hall on October 14, 2004. In my view, as counsel to the Board for Geology, the Board may adopt these changes to its rules and regulations, pursuant to § 54.1-201(5) of the Code of Virginia, and the proposed regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they conflict with any federal or state law.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed as a comment for or against the merits of the proposed regulations.
