18 VAC 41-30-140. Notice of renewal.

The Department of Professional and Occupational Regulation will mail a renewal notice to the licensee outlining the procedures for renewal. Failure to receive this notice, however, shall not relieve the licensee

EMERGENCY HAIR BRAIDING REGULATIONS
Adopted April 26, 2004

of the obligation to renew. If the licensee fails to receive the renewal notice, a copy of the old license may be submitted as evidence of intent to renew, along with the required fee.

18 VAC 41-30-150. Failure to renew.

- A. When a licensed individual or entity fails to renew its license within 30 days following its expiration date, the licensee shall apply for reinstatement of the license by submitting to the Department of Professional and Occupational Regulation a reinstatement application and renewal fee and reinstatement fee.
- B. When a hair braider fails to renew his license within two years following the expiration date, reinstatement is no longer possible. To resume practice, the former licensee shall apply for licensure as a new applicant, shall meet all current application requirements, and shall pass the Board's current examination. Individuals applying for licensure under this section shall be eligible to apply for a temporary license from the board under 18 VAC 41-30-80.
- C. When a hair braiding salon fails to renew its license within two years following the expiration date, reinstatement is no longer possible. To resume practice, the former licensee shall apply for licensure as a new applicant and shall meet all current application requirements.
- D. The application for reinstatement for a hair braiding school shall provide the reasons for failing to renew prior to the expiration date, and a notarized statement that all students currently enrolled or seeking to enroll at the school have been notified in writing that the school's license has expired. All of these materials shall be called the application package. Reinstatement will be considered by the board if the school consents to and satisfactorily passes an inspection of the school by the Department of Professional and Occupational Regulation and if the school's records are maintained in accordance with 18 VAC 41-30-210 and 18 VAC 41-30-220. Pursuant to 18 VAC 41-30-160, upon

EMERGENCY HAIR BRAIDING REGULATIONS
Adopted April 26, 2004

receipt of the reinstatement fee, application package, and inspection results, the board may reinstate the school's license or require requalification or both. If the reinstatement application package and reinstatement fee are not received by the board within six months following the expiration date of the school's license, the board will notify the testing service that prospective graduates of the unlicensed school are not acceptable candidates for the examination. Such notification will be sent to the school and must be displayed in a conspicuous manner by the school in an area that is accessible to the public. No student shall be disqualified from taking the examination because the school was not licensed for a portion of the time the student attended if the school license is reinstated by the board.

When a hair braiding school fails to renew its license within two years following the expiration date, reinstatement is no longer possible. To resume practice the former licensee shall apply for licensure as a new applicant and shall meet all current application requirements.

E. The date a renewal fee is received by the Department of Professional and Occupational Regulation, or its agent, will be used to determine whether the requirement for reinstatement of a license is applicable and an additional fee is required.

F. When a license is reinstated, the licensee shall have the same license number and shall be assigned an expiration date two years from the previous expiration date of the license.

G. A licensee who reinstates his license shall be regarded as having been continuously licensed without interruption. Therefore, a licensee shall be subject to the authority of the board for activities performed prior to reinstatement.

H. A licensee who fails to reinstate his license shall be regarded as unlicensed from the expiration date of the license forward. Nothing in this chapter shall divest the board of its authority to discipline a
