DATE: August 17, 2015

SUBJECT: *Regulations Governing the Practice of Medicine, Osteopathy, Podiatry and Chiropractic*
18VAC85-20-10 *et seq.*

I have reviewed the amendments to the *Regulations Governing the Practice of Medicine, Osteopathy, Podiatry and Chiropractic*, 18VAC85-20-10 *et seq.* The proposed amendments change requirements in postgraduate training for licensure applicants for medicine, osteopathy, and podiatry consistent with changes in the Code of Virginia following SB 1120. These proposed amendments are exempt in accordance with Va. Code § 2.2-4006(A)(4)(a) of the Virginia Administrative Process Act, which section provides an exemption for regulations “[n]ecessary to conform to changes in Virginia statutory law or the appropriation act where no agency discretion is involved.” Va. Code § 2.2-4006(A)(4)(a). The Board of Medicine has the statutory authority to amend these Regulations under Va. Code § 54.1-2400(6). The proposed amendments are constitutional and do not conflict with existing federal or state laws or regulations.
