RE: 18 VAC 110-20-10 et seq.
Regulations Governing the Practice of Pharmacy

Dear Ms. Russell:

I have reviewed the proposed fast-track regulation, 18 VAC 110-20-10 et seq., in accordance with the Administrative Process Act, as adopted by the Board of Pharmacy at its meeting on December 1, 2005. The amended regulation to eliminate the alarm requirement for certain sites that receive dispensed prescriptions for delivery to patients is constitutional and consistent with statutory law.

Sincerely,

A handwritten signature in black ink, appearing to read "H. Casway".

Howard M. Casway
Assistant Attorney General
