MEMORANDUM

TO: Chief Mike Reilly  
Executive Director  
Virginia Department of Fire Programs

FROM: Cathie F. Hutchins *Cathie*  
Senior Assistant Attorney General

DATE: January 9, 2019

SUBJECT: Regulations Establishing Certification Standards for Fire Inspectors  
19 VAC 15-20

In response to a request from the Department of Fire Programs, I have reviewed the above regulation. The purpose of this action is to repeal and replace the current training standards with the compulsory minimum training standards of the National Fire Protection Association Standard 1031, Standard for Professional Qualifications for Fire Inspector and Plan Examiner.

Upon review of the above regulation and accompanying documents, I find the regulation to be constitutional and consistent with the statutory authority granted by *Code* § 9.1-203.A. Additionally, I note that pursuant to *Code* § 2.2-4012.1, this regulatory action is being undertaken pursuant to the fast-track rulemaking provisions of the Administrative Process Act.

*Please note that this memorandum is intended to provide legal interpretations and legal advice, not policy advice. To the extent that this communication may advise you that a certain action is lawful, the decision whether to take such action remains a policy decision within the discretion of your agency and this communication should not be construed as a comment for or against the merits of such action.*
