Agency Name:	Department of Social Services
VAC Chapter Number:	22 VAC 40-92-10 et seq.
Regulation Title:	Standards and Regulations for Licensed Child Day Center Systems
Action Title:	Repeal due to Recodification Bill
Date:	August 14, 2002

Where a regulation is exempt in part or in whole from the requirements of the Administrative Process Act (§ 9-6.14:1 et seq. of the Code of Virginia) (APA), the agency may provide information pertaining to the action to be included on the Regulatory Town Hall. The agency must still comply the requirements of the Virginia Register Act (§ 9-6.18 et seq. of the Code of Virginia) and file the final regulation with the Registrar in a style and format conforming with the Virginia Register Form, Style and Procedure Manual. The agency must also comply with Executive Order Fifty-Eight (99) which requires an assessment of the regulation's impact on the institution of the family and family stability.

Note agency actions exempt pursuant to § 9-6.14:4.1(B) do not require filing with the Registrar a Notice of Intended Regulatory Action, or at the proposed stage. When the regulation is promulgated and submitted to the Registrar, the agency need only provide a statement citing the specific Virginia Code section referencing the exemption and an authority certification letter from the Attorney General's Office. No specific format is required.

This form should be used for actions **exempt from the Administrative Process Act pursuant to § 9-6.14:4.1(C)** at the final stage. Note that agency actions exempt pursuant to § 9-6.14:4.1(C) of the APA do not require filing with the Registrar a Notice of Intended Regulatory Action, and at the proposed stage.

Summary

Please provide a brief summary of the proposed new regulation, amendments to an existing regulation, or the regulation being repealed. There is no need to state each provision or amendment or restate the purpose and intent of the regulation, instead give a summary of the regulatory action and alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

This regulation provides standards for any entity that voluntarily applies to operate, manage, or accredit as members of its system, 50 or more child day center sites. The regulation is being repealed because effective October 1, 2002, the State Board of Social Services will not have joint responsibility with the Child Day-Care Council to promulgate this regulation. This change in

law and responsibility is the result of Senate Bill 303 enacted by the 2002 General Assembly Session.
