

**The Virginia Department of Health
Newborn Screening Program**

**Critical Congenital Heart Disease Demonstration Project (CCHDDP) Workgroup Meeting
September 25, 2012
Perimeter Center
9960 Mayland Dr.
Richmond, VA 23233**

Role of a workgroup:

- Assist VDH in developing a plan for assuring screening of newborns for congenital heart disease using pulse oximetry, and that appropriate early intervention services are in place for newborns identified as having Critical Congenital Heart Disease; and,
- Develop the estimated cost of such a program and identify potential funding sources.

2:30-2:40 p.m.	Welcome/Introductions/Charge
