**RECOMMENDED DECISION OF INFORMAL CONFERENCE COMMITTEE**

The Informal Conference Committee (“Committee”) for the Board of Long-Term Care Administrators (“Board”) conducted an informal conference on March 12, 2013, in Henrico County, Virginia, to consider the application of Crystal A. Smith for licensure as an assisted living facility administrator. Ms. Smith was not present and was not represented by legal counsel. After reviewing the evidence and statements presented in this matter, the Committee submits the following recommended Findings of Fact, Conclusions of Law, and Disposition.

**Recommended Findings of Fact**

1. Crystal A. Smith submitted an application for licensure as an assisted living facility administrator on November 6, 2012. She was licensed as an administrator in training on March 6, 2012. Said license expires on March 6, 2014.
2. By letter dated February 11, 2013, the Board of Long-Term Care Administrators sent a Notice of Informal Conference (“Notice”) to Ms. Smith notifying her that an informal conference would be held on March 12, 2013. The Notice was sent by certified and first class mail to 2528 Strawberry Lane, Chesapeake, Virginia, 23324, the address of record on file with the Board of Long-Term Care Administrators. The Notice sent via certified mail was returned to the Board on March 11, 2013, unclaimed and marked “Return To Sender Unable to Forward.” The Notice sent via first-class mail was not returned to the Board. The Committee Chair concluded that adequate notice was provided to Ms. Smith and the informal conference proceeded in her absence.
3. Ms. Smith failed to submit a criminal record as requested by the Board in November 2012.

**Recommended Conclusions of Law**

The Informal Conference Committee concludes that:

1. Ms. Smith does not meet the qualifications of 18 VAC 95-30-130 of the Regulations.

**Recommended Disposition**

In consideration of the foregoing Findings of Fact and Conclusions of Law, the Committee recommends that Ms. Smith's application for licensure as an assisted living facility administrator be DENIED.

Reviewed and determined to be consistent with the Informal  
Conference Committee's Decision

## Patient Care Disciplinary Case Processing Times:

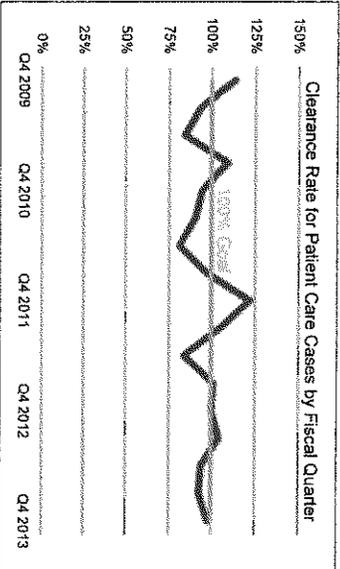

### Quarterly Performance Measurement, Q4 2009 - Q4 2013

Dianne Reynolds-Cane, M.D.  
Director

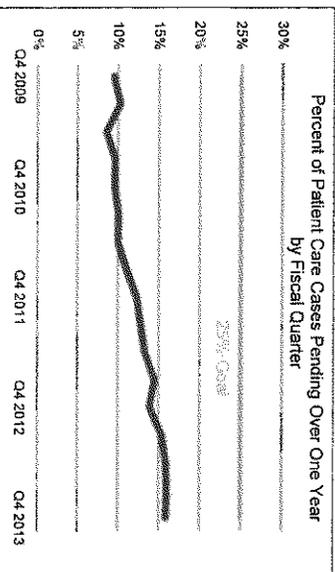

*"To ensure safe and competent patient care by licensing health professionals, enforcing standards of practice, and providing information to health care practitioners and the public."*  
DHP Mission Statement

In order to uphold its mission relating to discipline, DHP continually assesses and reports on performance. Extensive trend information is provided on the DHP website, in biennial reports, and, most recently, on Virginia Performs through Key Performance Measures (KPMs). KPMs offer a concise, balanced, and data-based way to measure disciplinary case processing. These three measures, taken together, enable staff to identify and focus on areas of greatest importance in managing the disciplinary caseload: Clearance Rate, Age of Pending Caseload and Time to Disposition uphold the objectives of the DHP mission statement. The following pages show the KPMs by board, listed in order by caseload volume; volume is defined as the number of cases received during the previous 4 quarters. In addition, readers should be aware that vertical scales on the line charts change, both across boards and measures, in order to accommodate varying degrees of data fluctuation.

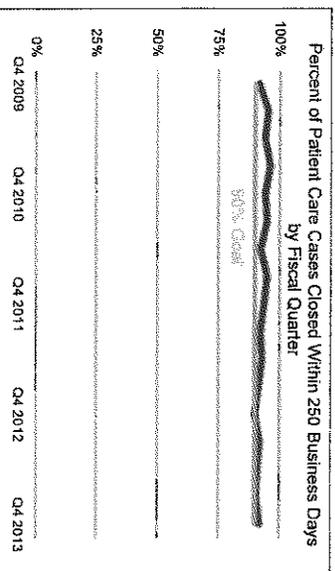

**Clearance Rate** - the number of closed cases as a percentage of the number of received cases. A 100% clearance rate means that the agency is closing the same number of cases as it receives each quarter. DHP's goal is to maintain a 100% clearance rate of allegations of misconduct through the end of FY 2012. The current quarter's clearance rate is 98%, with 979 patient care cases received and 959 closed.

**Age of Pending Caseload** - the percent of open patient care cases over 250 business days old. This measure tracks the backlog of patient care cases older than 250 business days to aid management in providing specific closure targets. The goal is to maintain the percentage of open patient care cases older than 250 business days at no more than 25% through the end of FY 2012. That goal continues to be achieved with the percent of cases pending over 250 business days maintaining an average of 16% for the past 4 quarters. For the last quarter shown, there were 2,090 patient care cases pending, with 332 pending over 250 business days.

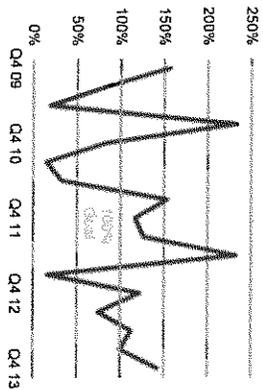

**Time to Disposition** - the percent of patient care cases closed within 250 business days for cases received within the preceding eight quarters. This moving eight-quarter window approach captures the vast majority of cases closed in a given quarter and effectively removes any undue influence of the oldest cases on the measure. The goal is to resolve 90% of patient care cases within 250 business days through the end of FY 2012. That goal continues to be achieved with 92% percent of patient care cases being resolved within 250 business days this past quarter. During the last quarter, there were 941 patient care cases closed, with 866 closed within 250 business days.

## CHAPTER 609

*An Act to amend and reenact §§ 54.1-3103.1 and 63.2-1803 of the Code of Virginia, relating to administration of assisted living facilities.*

[S 1093]

Approved March 25, 2011

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 54.1-3103.1 and 63.2-1803 of the Code of Virginia are amended and reenacted as follows:**

§ 54.1-3103.1. Administrator required for operation of assisted living facility; operation after death, illness, etc., of administrator; notification of Board; administrators operating more than one facility.

A. All licensed assisted living facilities within the Commonwealth shall be under the supervision of an administrator licensed by the Board, except as provided in subsection B of § 54.1-3102. If a licensed assisted living facility administrator dies, ~~becomes ill~~, resigns, or is discharged, ~~or becomes unable to perform his duties~~, the assisted living facility ~~that was administered by him at the time of his death~~, illness, resignation, or discharge may continue to operate until his successor qualifies, but in no case for longer than is permitted by the licensing authority for the facility ~~with an acting administrator in accordance with the provisions of § 63.2-1803~~. The temporary supervisor or administrator ~~facility~~ shall immediately notify the Board of Long-Term Care Administrators and the ~~Commissioner~~ regional licensing office of the Department of Social Services that the assisted living facility is operating without the supervision of a licensed assisted living facility administrator ~~and shall provide the last date of employment of the licensed administrator~~. When an acting administrator is named, he shall notify the Department of Social Services of his employment and, if he is intending to assume the position permanently, submit a completed application for an approved administrator-in-training program to the Board within 10 days of employment.

B. Nothing in this chapter shall prohibit an assisted living administrator from serving as the administrator of record for more than one assisted living facility as permitted by regulations of the licensing authority for the facility.

§ 63.2-1803. Staffing of assisted living facilities.

A. An administrator of an assisted living facility shall be licensed as an assisted living facility administrator by the Virginia Board of Long-Term Care Administrators pursuant to Chapter 31 (§ 54.1-3100 et seq.) of Title 54.1. However, an administrator of an assisted living facility licensed for residential living care only shall not be required to be licensed. Any person meeting the qualifications for a licensed nursing home administrator under § 54.1-3103 shall be deemed qualified to (i) serve as an administrator of an assisted living facility or (ii) serve as the administrator of both an assisted living facility and a licensed nursing home, provided the assisted living facility and licensed nursing home are part of the same building.

B. *If a licensed assisted living facility administrator dies, resigns, is discharged, or becomes unable to perform his duties, the assisted living facility shall immediately employ a licensed administrator or appoint an acting administrator who is qualified by education for an approved administrator-in-training program and has a minimum of one year of administrative or supervisory experience in a health care or long-term care facility, or has completed such a program and is awaiting licensure. The facility shall give immediate notice to the regional licensing office of the Department of Social Services and to the Board of Long-Term Care Administrators and shall provide the last date of employment of the licensed administrator. When an acting administrator is named, he shall notify the Department of his employment and, if intending to assume the position permanently, submit a completed application for an approved administrator-in-training program to the Board of Long-Term Care Administrators within 10 days of employment. An assisted living facility may be operated by an acting administrator for no more than 150 days, or not more than 90 days if the acting administrator has not applied for licensure, from the last date of employment of the licensed administrator.*

C. *The Department may grant an extension of up to 30 days in addition to the 150 days from the last date of employment of a licensed administrator if the acting administrator has applied for licensure as a long-term care administrator pursuant to Chapter 31 (§ 54.1-3100 et seq.) of Title 54.1, has completed the administrator-in-training program, and is awaiting the results of the national examination. If a 30-day extension is granted, the acting administrator shall immediately submit written notice to the Board of Long-Term Care Administrators. In no case shall an assisted living facility be operated with an acting administrator for more than 180 days, including the 30-day extension, from the last date of employment of a licensed administrator.*

D. *No assisted living facility shall operate under the supervision of an acting administrator pursuant*

*to § 54.1-3103.1 and this section more than one time during any two-year period unless authorized to do so by the Department. Determinations regarding authorization to operate under the supervision of an acting administrator for more than one time in any two-year period shall be made by the Department on a case-by-case basis.*

*E. The assisted living facility shall have adequate, appropriate, and sufficient staff to provide services to attain and maintain (i) the physical, mental and psychosocial well-being of each resident as determined by resident assessments and individual plans of care and (ii) the physical safety of the residents on the premises. Upon admission and upon request, the assisted living facility shall provide in writing a description of the types of staff working in the facility and the services provided, including the hours such services are available.*

**2. That the Board of Long-Term Care Administrators shall promulgate regulations for the oversight of acting administrators of assisted living facilities who have sought licensure but who are not yet licensed as long-term care administrators by a preceptor registered or recognized by the Board.**
