DEQ Staff

11:45 – 12:45

LUNCH (on your own)

12:45 – end

OBJECTIVES / GROUP DISCUSSION

Angie Jenkins

We propose to take up the issues in the order set forth by the General Assembly and as follows: 1) if DEQ's present guidance is being applied uniformly across regional offices, 2) the adequacy of DEQ's guidance with respect to groundwater protection regulations and DEQ's technical regulations regarding petroleum spill remediation; and 3) the appropriate deductibles for homeowners.

Next Meeting: August 3, 2015
