Final Regulation Agency Background Document

| Agency name | Virginia Lottery | |
|--|---|--|
| Virginia Administrative Code (VAC) Chapter citation(s) | 11VAC_590 | |
| VAC Chapter title(s) | Casino Gaming | |
| Action title | Promulgation of casino gaming regulations | |
| Date this document prepared | January 12, 2022 | |

This information is required for executive branch review and the Virginia Registrar of Regulations, pursuant to the Virginia Administrative Process Act (APA), Executive Order 14 (as amended, July 16, 2018), the Regulations for Filing and Publishing Agency Regulations (1VAC7-10), and the *Form and Style Requirements for the Virginia Register of Regulations and Virginia Administrative Code*.

Brief Summary

Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.

The intent of this action is to submit the final regulations for Casino Gaming.

11 VAC 5-90 establishes:

- how the Virginia Lottery will issue casino licenses and permits;
- casino facility and gaming security and control standards;
- rules and guidelines for slot machine, mechanical casino games and table games and on-premises mobile casino gaming;
- reporting requirements;
- facility, employee, and equipment investigation procedures and non-monetary sanctions and penalties for violations, and
- procedures for payment of taxes, fees, and penalties.

Acronyms and Definitions

Form: TH-03

Define all acronyms used in this form, and any technical terms that are not also defined in the "Definitions" section of the regulation.

N/A

Statement of Final Agency Action

Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.

The Virginia Lottery Board adopted the proposed permanent Casino Gaming regulations as final regulations on January 12, 2022.

Mandate and Impetus

List all changes to the information reported on the Agency Background Document submitted for the previous stage regarding the mandate for this regulatory change, and any other impetus that specifically prompted its initiation. If there are no changes to previously reported information, include a specific statement to that effect.

The impetus for this regulatory action is to make final the Casino Gaming regulations previously submitted as proposed. No other changes.

Legal Basis

Identify (1) the promulgating agency, and (2) the state and/or federal legal authority for the regulatory change, including the most relevant citations to the Code of Virginia and Acts of Assembly chapter number(s), if applicable. Your citation must include a specific provision, if any, authorizing the promulgating agency to regulate this specific subject or program, as well as a reference to the agency's overall regulatory authority.

The Virginia Lottery Board is promulgating these regulations pursuant to Chapter 1248 of the 2020 Virginia Acts of Assembly. The Board derives its authority to regulate casino gaming from Virginia Code § 58.1- 4102(2), which states: The Board shall have the power and duty to: ... 2. Adopt regulations regarding the conditions under which casino gaming shall be conducted in the Commonwealth and all such other regulations it deems necessary and appropriate to further the purposes of this chapter. Virginia Code § 58.1-4101.A states: The Board is vested with control of all casino gaming in the Commonwealth, with authority to prescribe regulations and conditions under this chapter.

Purpose

Form: TH-03

Explain the need for the regulatory change, including a description of: (1) the rationale or justification, (2) the specific reasons the regulatory change is essential to protect the health, safety or welfare of citizens, and (3) the goals of the regulatory change and the problems it's intended to solve.

These regulations are being promulgated pursuant to legislative mandate and to replace the existing Emergency Regulations and to ensure that the regulations are clearly written in response to certain public comment received during the 60-day comment period associated with the Proposed stage.

Substance

Briefly identify and explain the new substantive provisions, the substantive changes to existing sections, or both. A more detailed discussion is provided in the "Detail of Changes" section below.

This regulation establishes:

- how the Virginia Lottery will issue casino licenses and permits;
- casino facility and gaming security and control standards;
- rules and guidelines for slot machine, mechanical casino games and table games and on-premises mobile casino gaming;
- reporting requirements;
- facility, employee, and equipment investigation procedures and non-monetary sanctions and penalties for violations, and
- procedures for payment of taxes, fees, and penalties.

Based on input from Lottery staff and in response to comments received during the 60-day public comment period, the final permanent regulations differ from the Emergency Regulations in the following ways:

- (1) Certain content that may have been unclear has been amended;
- (2) Certain industry requested changes have been made with respect to:
 - (a) notices of violation;
 - (b) central monitor and control system;
 - (c) mandatory player exclusion;
 - (d) surveillance department operating procedures;
 - (e) security department operating procedures;
 - (f) internal audit operating procedures and standards;
 - (g) cashiers' cage accounting controls;
 - (h) funds withdrawal from a player account;
 - (i) time frame for maintaining a record of unredeemed gaming tickets:
 - (i) facility operator's internal controls:
 - (k) player complaints;
 - (I) promotional nongaming chips; and
 - (m)envelopes/containers to hold/transport cards and pai gow tiles.
- (3) Pertinent and applicable edits have been made to include:
 - (a) a change to the "Manufacturer" definition to correct "Commission" to "Department";

(b) the addition of a new definition ("Facility operations manager") and the global replacement of "Chief executive officer" with "Facility operations manager";

Form: TH-03

- (c) the removal of information and procedures not necessary or industry standard for opening a player accounts
- (d) the allowance of the department review of casino-specific procedures while allowing for flexibility at each facility;
- (e) the removal of language pertaining to trial periods of equipment, systems, or software since the department will not be involved;
- (f) the replacement of the entire section pertaining to cards/decks of cards in order to simplify and clarify the requirements;
- (g) the reduction of the minimum bet at a table game in order to satisfy industry request while still conforming to the statutory requirement to set minimum/maximum wagers in regulation; and
- (h) to allow a dealer to hand-shuffle cards.

Issues

Identify the issues associated with the regulatory change, including: 1) the primary advantages and disadvantages to the public, such as individual private citizens or businesses, of implementing the new or amended provisions; 2) the primary advantages and disadvantages to the agency or the Commonwealth; and 3) other pertinent matters of interest to the regulated community, government officials, and the public. If there are no disadvantages to the public or the Commonwealth, include a specific statement to that effect.

Virginia Code § 58.1-4101.A sets forth the General Assembly's intent in enacting the underlying legislation:

Casino gaming shall be licensed and permitted as herein provided to benefit the people of the Commonwealth. The Board is vested with control of all casino gaming in the Commonwealth, with authority to prescribe regulations and conditions under this chapter. The purposes of this chapter are to assist economic development, promote tourism, and provide for the implementation of casino gaming operations of the highest quality, honesty, and integrity and free of any corrupt, incompetent, dishonest, or unprincipled practices.

The primary advantage of the stage is to replace Emergency Regulations with Final Regulations.

Requirements More Restrictive than Federal

List all changes to the information reported on the Agency Background Document submitted for the previous stage regarding any requirement of the regulatory change which is more restrictive than applicable federal requirements. If there are no changes to previously reported information, include a specific statement to that effect.

N/A

Agencies, Localities, and Other Entities Particularly Affected

Form: TH-03

List all changes to the information reported on the Agency Background Document submitted for the previous stage regarding any other state agencies, localities, or other entities that are particularly affected by the regulatory change. If there are no changes to previously reported information, include a specific statement to that effect.

Other State Agencies Particularly Affected

Virginia State Police; Virginia Department of Behavioral Health and Developmental Services; Virginia Department of Social Services; Virginia Department of Taxation; Regional Improvement Commission and the Virginia Criminal Sentencing Commission.

Localities Particularly Affected

The cities of Bristol, Danville, Norfolk, Portsmouth, and Richmond.

Other Entities Particularly Affected

Federal Bureau of Investigation

Public Comment

<u>Summarize</u> all comments received during the public comment period following the publication of the previous stage, and provide the agency response. Include all comments submitted: including those received on Town Hall, in a public hearing, or submitted directly to the agency. If no comment was received, enter a specific statement to that effect.

| Commenter | Comment | Agency response | | |
|---|--|--|--|--|
| Trey Peace | Support for casino gambling without excessive regulation and regulations that promote economic development. | Evaluated and incorporated into or edited into the final | | |
| Alex W. West | Support/request for lower (than \$5) minimum bet for table games including poker. | regs if applicable, advisable, and | | |
| Erika DiNapoli, BMM Testlabs | Request for a specific maximum duration (specific # of days vs. a duration deemed appropriate by department) for prototype / modification testing in live gaming environment. | legally permitted. | | |
| Preferred Casino Gaming Operators (Headwaters, Caesars, Rivers, Hard Rock) | Request for flexibility with 180 day jackpot claims, reduction of 5-year reinvestment plan frequency to at the time of license renewal; suggested department review/ruling procedures when operator contests host city compliance determination; suggestion to replace term "chief executive officer" with "facility general manager"; request for flexibility (by adding "or their designee) with which positions are authorized to sign required reports; suggested change to audit time frame of certain operational areas; suggested language changes regarding individual player bonus accrual; requested removal of requirement for subsequent approvals of remote access for a manufacturer; requested reduction in | | | |

| | removal of intoxicated persons be opened to include | |
| | the facility hotel (vs. removal from entire facility); | |
| | request that email address and SSN only be | |
| | provided in certain transactions; requested flexibility | |
| | pertaining to verification of player | |
| | deposits/withdrawals; request clarification of | |
| | possible typographical error in 11VAC5-90-110.U.9; | |
| | request to reduce the retention period of | |
| | unredeemed gaming tickets from two years to six | |
| | months; suggestion of a second verifier of jackpots | |
| | between \$5,000 and \$15,000; suggestion for | |
| | expansion of post-count verification procedures and | |
| | the extension for reporting variances from 72 hours | |
| | to one week; request for confirmation pertaining to | |
| | payout percentages; question as to how to meet the | |
| | requirement re: all possible combinations being | |
| | independent of one another; question as to whether | |
| | a blanket request may be used for maximum bets | |
| | on a single game event; request to allow for the | |
| | insertion of cash or ticket into the electronic gaming | |
| | device itself (vs. at a dealer-controlled electronic | |
| | table); suggestion of a single compartment drop box | |
| | | |
| | (vs. 3-compartment); request to allow for bets under | |
| | \$5.00; request to allow for hand shuffling as an | |
| Divers Dantages atta | option; and language tweaks. | |
| Rivers Portsmouth | Suggestions for re-wording of certain definitions; | |
| | requests ability to waive application requirement; | |

suggestion to remove the term "all principals" since it may not make sense for non-gaming vendors; request for EFT to be used by players to redeem counter checks; suggestion that tokens, chips, etc. also be allowed for tipping; the addition of the U.S. Treasury and the Financial Crimes Enforcement Network to those entities to which the voluntary exclusion list may be provided; suggestion that the ability to confiscate winnings of anyone on the voluntary exclusion list; suggestion that records inspection time frames correlate to the operating hours of the accounting department; suggestion for flexibility in titles (e.g. replace CEO with Senior Operating Officer); request that the aggregate be increased to \$200,000 (from \$50,000) for multiple player checks and that the limit for personal checks be increased to \$10,000 (from \$5,000); request that the ability of a player to present a payroll or payout check be removed; clarification of 90-110-S.5.a requested; suggestion that a committee of employees with no incompatible functions be added to the list of those who can authorize a write off of returned checks; the suggested removal of specific sections of the annuity jackpot section; suggested removal of the term "poker rake chip"; suggested language re: plagues (to make less specific); suggested addition of language pertaining to the retirement of chips/tokens; request that envelopes to hold/transport dice and pai gow tiles be constructed with latches; suggested clarifying language re: dice and the request that sets of five dice used at craps/mini-craps tables be changed after 25 hours or less of use (vs. once every 24 hours); suggested change to frequency of poker cards deck replacement (when any card in the deck shows wear, damage, etc. vs. when in play for four months); suggested clarifying language for damaged/discarded card decks; suggested overhaul of section pertaining to the inspection of cards: suggested clarifying language in section pertaining to dealer controlled electronic table game system procedures; suggestion to record coupon beginning and end serial numbers only for coupons with retail value in excess of \$20 (vs. all); the request that a change to the minimum/maximum wager be announced 10 minutes in advance of the change (vs. 30 minutes); and language tweaks.

Form: TH-03

Detail of Changes Made Since the Previous Stage

List all changes made to the text since the previous stage was published in the Virginia Register of Regulations and the rationale for the changes. For example, describe the intent of the language and the expected impact. Describe the difference between existing requirement(s) and/or agency practice(s) and what is being proposed in this regulatory change. Explain the new requirements and what they mean rather than merely quoting the text of the regulation. * Put an asterisk next to any substantive changes.

| Current chapter- section number | New chapter- section number, if applicable | New requirement from previous stage | Updated new requirement since previous stage | Change, intent, rationale, and likely impact of updated requirements |
|--|--|-------------------------------------|--|---|
| 11VAC5- 90-10 | | Definition added | "Facility General Manager" means an individual who is: 1. Based for employment purposes at a casino gaming facility; 2. The holder of a supplier permit as key manager; and 3. Ultimately responsible for the daily conduct of all operations at the facility. | Intent/rationale - To change facility's "chief executive officer" to "facility general manager" for clarity. Impact – minimal. |
| | | | "Facility general manager" includes any individual approved by the department who acts as the facility general manager's designee. | |
| | | Definition amended | "Manufacturer" means 1. A person: a. That is engaged in the business of designing, building, constructing, assembling, manufacturing, or distributing a central monitor and control system, slot machines, associated equipment or software, mechanical casino games, or the cabinet in which a slot machine or mechanical casino game is housed; b. That produces a product that is intended for sale, lease, or other assignment to the department or a licensee; and | Intent/rationale - to correct one instance of an incorrect term erroneously left in prior stage. Impact – minimal. |
| 11VAC5- 90-90 | | Language added | D. Notice of violation. 5. Department staff shall provide a licensee or permit holder with notice of the violations that describes the statute, regulation, or directive allegedly violated, along with the investigative findings and director's recommendation for addressing the alleged violation. | Intent/rationale – Industry request Impact – minimal |

| 11VAC5- | Language | F. Central monitor and control | Intent/rationale – |

| | | |
|---------------------|---|--|
| | 9. The director of surveillance and the director of internal audit may report to the chief executive officer facility general manager with regard to daily operations. 18. If there is a vacancy in the chief executive officer facility general manager position or any | |
| | mandatory department director position required by this subsection, the following shall apply: | |
| Clarification added | J. Surveillance department operating procedures | Intent/rationale – Industry request; clarification |
| | 3. A facility operator's surveillance department operating procedures shall, at a minimum, require: c. A surveillance incident log: (1) Maintained by monitor room employees in: (a) A book with bound numbered pages that cannot be readily removed; or (b) An electronic format equipped with software that prevents designed to provide evidentiary and leadership access controls on modification of an entry after it has been entered into the system; and | Impact - minimal |
| Allowance added | L. Security department operating procedures. | Intent/rationale – Industry request |
| | 3. A facility operator's security department operating procedures shall, at a minimum, include: a. A security zone plan for the facility, employing fixed security posts and roving security officers designed to ensure: (1) The physical safety of employees of and invitees to the facility; (2) The safeguarding of assets; (3) Compliance with all applicable laws, regulations, and directives of the department, including department-approved internal controls and operating procedures; | Impact - minimal |
| | (4) That the following individuals are identified, prohibited from entering the facility, and, if | |

| Clarification added and Term replaced | necessary, immediately removed from the facility gaming floor: (a) An intoxicated individual; (b) An individual who is mandatorily excluded; and (c) An individual who is voluntarily excluded; N. Internal audit department standards. 2. A facility operator's internal audit department operating procedures and standards shall, at a minimum, require the internal audit department to: d. Timely report a deficiency in, or noncompliance with, the facility's internal controls to: (1) The audit committee (material deficiency only); (2) The chief executive officer facility general manager (material deficiency only); | Intent/rationale – (1) and (2) industry request (2) to change facility's "chief executive officer" to "facility general manager" for clarity. See the addition of definition in VAC 5-90-10. |
|---|--|--|
| Clarification | Q. Accounting controls for a | Impact - minimal Intent/rationale - |
| added | cashiers' cage. 1. A facility operator may only conduct gaming-related transactions with individuals at its cashiers' cage and any satellite cage during the hours of operation approved by the department for the facility. | Industry request Impact - minimal |
| Requirements removed | U. Player accounts. 2. A facility operator may establish a player account to enable the player to take part in gaming, which shall be subject to the following requirements: a. The information necessary to initiate a player account shall be recorded and maintained for a period of five years and shall include at least: (1) Player's legal name; (2) Player's date of birth; (3) Player's residential address (other than a post office box) and mailing address if different; (4) Player's phone number; (5) Player's active email address; and | Intent/rationale – Industry request; additional information and procedures are not necessary or industry standard for opening a player account Impact - minimal |

(6) Player's social security number (SSN) or equivalent for a foreign player who intends to place a wager within the Commonwealth of Virginia, such as a passport or taxpayer identification number. The player may enter only the last four digits of a SSN if other factors are sufficient to determine the entire nine-digit SSN within a reasonable time: (76) Verification that the player is not prohibited by the gaming law or this chapter from participating in casino gaming; and. (8) Documentation of the government-issued identification credentials entered or other methodology for remote, multisource authentication, which may include third-party and governmental databases as approved by the director. b. A facility operator shall record the player's acceptance of the terms and conditions and privacy policy and acknowledgment that the information provided is accurate and the player is prohibited from allowing any other person to access or use the player's account. c. If a facility operator determines that the information provided by a player to make a deposit or process a withdrawal is inaccurate or incapable of verification; fails to verify the identity of the player; or the player violates the policies and procedures of the facility operator, the facility operator shall, within 21 days, require the submission of additional information from the player that can be used to remedy any violation or failure to verify the identity or funds deposit or withdrawal information of the player. If such information is not provided or does not result in verification of the player's identity or deposit or withdrawal information, the facility operator shall:

| | | | maximum wagers in regulation Impact - minimal |
| | Allowance added | BB. Procedure for dealing cards from the hand. 1. If the cards are dealt from a dealer's hand, the following requirements shall be met: a. An automated shuffling device shall be used to shuffle the cards. ba. After the procedures required under subsection Z of this section have been completed, the dealer shall place the stacked deck of cards in either of the dealer's hand. eb. After the dealer has chosen the hand in which to hold the cards, the dealer shall continue to use that hand while holding the cards during that round of play. dc. The cards held by the dealer shall be kept over the table inventory container and in front of the dealer at all times. ed. Before dealing any cards, the dealer shall: (1) Announce "no more bets;" and (2) If the progressive payout wager is being offered, use the progressive table game system to prevent the placement of any additional progressive payout wagers. f.e If any progressive payout wagers have been made, the dealer shall: (1) On the layout in front of the table inventory container, collect | Intent/Rationale – to allow a dealer to hand-shuffle cards Impact - minimal |

| the wagers in accordance with the standard rules; (2) Verify that the number of value chips wagered equals the number of progressive payout wagers accepted by the progressive table game system; and |
|---|
| (3) Place the value chips into the table inventory container. |

Detail of All Changes Proposed in this Regulatory Action

List all changes proposed in this action and the rationale for the changes. For example, describe the intent of the language and the expected impact. Describe the difference between existing requirement(s) and/or agency practice(s) and what is being proposed in this regulatory change. Explain the new requirements and what they mean rather than merely quoting the text of the regulation. * Put an asterisk next to any substantive changes.

| Current chapter- section number | New chapter- section number, if applicable | Current requirements in VAC | Change, intent, rationale, and likely impact of updated requirements |
|--|---|---|---|
| 11VAC5-90-10 | | Definitions | Definitions added and relocated for clarity and better flow. One definition corrected. |
| 11VAC5-90-20 | | Unclaimed jackpots | Definition relocated to 90-10. |
| 11VAC5-90-30 | | Waiver request | Capitalization corrections only. |
| 11VAC5-90-40 | | Licenses and permits generally | Capitalization corrections; rewording of certain sections for clarity; reference to "Commonwealth of Virginia" changed to "department policies and directives" to align with language in statute. |
| 11VAC5-90-50 | | Investigations | Grammatical changes; insertion of requirement that parent organization will guarantee, by statement, the performance/compliance of its subsidiary for the term of the subsidiary's license/permit; added "foreign equivalent" in addition to the SEC as an authorized entity for ownership reporting. |
| 11VAC5-90-60 | | Applications for an issuance of facility operator's license | Qualified when a preferred casino may deviate from its plan submitted during the certification process; added language to include reference to a temporary casino gaming facility with respect to capital investment; addition of a requirement that any casino employee interacting with the public complete a Department-approved course in recognizing/reporting human trafficking; capitalization corrections; insertion of references to on-premises mobile casino gaming where applicable; the addition of, with respect to application evaluation, the substantiation of an applicants' financial responsibility and a plan for seeking equity investment from and the purchasing of goods and services from minority individuals/minority-owned businesses; section title change for clarity; added the requirement that a casino gaming facility operator is not |

| | | prohibited from operating a sports betting facility in the casino establishment; grammatical changes; |
|-------------------|--|---|
| 11VAC5-90-70 | Applications for and issuance of supplier permits | Clarification of language to credit \$50,000 background investigation fee for an applicant whose fee has been submitted on his/her behalf pursuant to a related or contemporaneously filed application; grammatical and capitalization corrections. |
| 11VAC5-90-80 | Application for and issuance of service permits | Clarification of language to credit the \$50,000 background investigation fee for an applicant whose fee has been submitted on his/her behalf pursuant to a related or contemporaneously filed application; grammatical and capitalization corrections. |
| 11VAC5-90-90 | Enforcement | Grammatical, spelling, and capitalization corrections; requirement change for the submission of a revised corrective action plan to "within five days" from "immediately"; with respect to a settlement and its inclusion of corrective action elements, the changing of the word "shall" to "may"; clarification added pertaining to notice of violation to include investigative findings. |
| 11VAC5-90- 100 | General facility operator requirements | Capitalization corrections and grammatical corrections; "services" corrected to "goods and services"; change of "patron" to "player" to be consistent with definitions; change of when a junket final report must be prepared from "within seven days of completion of the junket" to "at the beginning of the month following"; change to when the junket final report must be submitted to the department from "upon request" to "the 15th day of the month following"; addition of the requirement that the central monitor and control system shall comply with the minimum design standards of 11VAC90-150 (in addition to those listed in this section); change of reference from "terminal" income/revenues to "gaming" income/revenues; addition of "tickets or" when referencing electronic cards; the addition of converting to cash as an approved use of tokens, chips, and electronic tickets and cards; broadened the statement that a facility operator must ensure that intoxicated individuals and those under 21 cannot engage in (or be in an area where the following takes place) sports betting and cannot participate in on-premises mobile casino gaming; clarification that the tax that is to be imposed (58.1-4124) shall not include adjusted gross receipts from sports betting; the addition of the requirement that a tax that shall be imposed on sports betting adjusted gross revenue (58.1-4307); industry-requested word change made (from "paid to play the game" to "wagered"). |
| 11VAC5-90- 110 | Casino gaming facility minimum internal control standards title changed to Casino gaming facility internal control standards | Change of section title to reflect more typical industry usage; relocation of certain definitions to 90-10; change from "facility operator's slot machine" to "casino" with respect to tracking systems as applicable; change from "version" to "edition" for clarity as applicable; insertion of statement that a facility operator's CEO or CLO certify to the "best of their knowledge" the conformity of the internal controls to the requirements of the law/chapter/dept policy/directives; the addition of the requirement that mandatory departments and supervisors are responsible for managing the internal audit function and internal audit employees based at the facility; the moving of the player tracking system from the semiannual audit list to the annual audit list; change limit from \$25,000 to \$50,000 for the total checks that can be received during a gaming day; "customer deposit account" renamed to "player account" and related |

| violation of the section to use/convert cash, credit cards, adbit cards, and/or electronic transfers; re-organization/re-structure of "Gaming Ticket" section; the addition of requirements that a facility operator fully and accurately disclose or link to a site that discloses, the material terms of promotional play offers, the time frame for delaying implementation of the offer restructure of the section titled. Ticket redemption unit on more clearly explain how and where a gaming ticket of \$5.000 or more shall be redeemed, change in the requirement of when the jackpot or credit meter payout obcument must be signed from "less than \$5.000" to "less than \$10,000"; addition of language advising that a facility operator must establish a process for players to file a complaint, how the operator will respond to the complaint, allowance of prepaid electronic transfers into a player's gaming account (while still maintaining the statutory bar on extension of credit to players); addition of player disturbance as an acceptable reason to place an individual on the mandatory exclusion list; clarification provided regarding the software design required for sulread of the entire facility to allow for player's return to a hotel room, if available; replacement of "chief executive officer" with "Facility ageneral manager"; clarification that internal audit reports to the audit committee and the facility general manager include material deficiencies only; the specification that internal audit reports to the audit committee and the facility general manager include material deficiencies only; the specification that internal audit reports to the audit committee and the facility general manager include material deficiencies only; the specification that internal audit reports to the audit committee and the facility general manager include material deficiencies only; the specification that notive grant manager include material deficiencies only; the specification that only gaming-related transactions be conducted with an ordinary that a | | | |
