 - a) a copy of the facility's approved nutrient management plan,
 - b) a letter from the Department of Conservation and Recreation certifying approval of the facility's nutrient management plan, and
 - c) a letter from the Department of Conservation and Recreation certifying that the facility's nutrient management plan was developed by a certified nutrient management planner in accordance with § 10.1-104.2 of the Code of Virginia, if the nutrient management plan was developed after December 31, 2005.

The additional information on page 2., lines 9-16 must be completed if this VPA general permit registration statement is to serve as registration for coverage under the Virginia Pollutant Discharge Elimination System (VPDES) general permit.

The certification on page 3, line 17 must be completed by all registrants.

Information required for registration for coverage under the Virginia Pollutant Discharge Elimination System (VPDES) general permit.

9. Indicate the maximum number of the type(s) of animal(s) that will be maintained at your facility:

Animal Type	Maximum Number	Average Weight
Veal Calves	_____	_____
Cattle other than Mature Dairy Cows or Veal Calves (includes but is not limited to heifers, steers, bulls, and cow-calf pairs)	_____	_____
Swine weighing 55 pounds or more	_____	_____
Swine weighing less than 55 pounds	_____	_____
Horses	_____	_____
Sheep or Lambs	_____	_____
Turkeys	_____	_____
Laying Hens or Broilers specify if liquid manure handling system (yes/no)	_____	_____
Chickens (other than Laying Hens) specify if liquid manure handling system (yes/no)	_____	_____
Ducks	_____	_____
Other _____	_____	_____

10. Provide latitude and longitude of the production area (entrance to production area):
Latitude _____° _____' _____" Longitude _____° _____' _____"

11. Identify the method of mortality management: _____

12. Topographic map attached (check one) Yes _____ No _____ (a topographic map of the geographic area in which the facility is located identifying the specific location of the production area must be attached)

13a. Indicate the type(s) of containment and storage (anaerobic lagoon, roofed storage shed, storage ponds, underfloor pits, above ground storage tanks, below ground storage tanks, concrete pad, impervious soil pad, other (specify)
Type of containment: _____

13b. Total capacity for manure, litter, and process wastewater storage (tons and/or gallons): _____

14. Indicate the total number of acres under control of the applicant available for land application of manure, litter, or process wastewater: _____ acres

15. Estimate the amounts of manure, litter, and process wastewater generated per year (gallons/tons):

	Amount	Units (gallons or tons)
Manure	_____	_____
Litter	_____	_____
Process Wastewater	_____	_____

16. Estimate the amounts of poultry waste transferred to other persons per year in tons: _____

17. **Certification:**

"I certify that notice of the registration statement has been given to all owners or residents of property that adjoins the property on which the confined animal feeding operation will be located. This notice included the types and numbers of animals which will be maintained at the facility and the address and phone number of the appropriate Department of Environmental Quality regional office to which comments relevant to the permit may be submitted. (The preceding certification is waived if the registration is for renewing coverage under the general permit and no expansion of the operation is proposed and the Department has not issued any special or consent order relating to violations under the existing permit.) I certify under penalty of law that all the requirements of the Board for the general permit are being met and that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering the information, the information submitted is to the best of my knowledge and belief true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations."
