However, the agency may still be required to comply with the Virginia Register Act, Executive Order 14 (as amended, July 16, 2018), the Regulations for Filing and Publishing Agency Regulations (1VAC7-10), and the *Form and Style Requirements for the Virginia Register of Regulations and Virginia Administrative Code*.

### Brief Summary

*Provide a brief summary (preferably no more than 2 or 3 paragraphs) of this regulatory change (i.e., new regulation, amendments to an existing regulation, or repeal of an existing regulation). Alert the reader to all substantive matters. If applicable, generally describe the existing regulation.*

This regulation is required to conform the existing regulation to changes directed by Chapter 356 of the 2022 Acts of Assembly (SB 657) and Chapter 422 of the 2022 Acts of Assembly (SB 188).

Senate Bill (SB) 657 limits the authority of the State Water Control Board under Chapters 3.1 (State Water Control Law), 24 (Surface Water Management Areas) and 25 (Ground Water Management Act of 1992), to the issuance of regulations and transfers the Board's existing authority to issue permits and orders to the Department of Environmental This final regulatory action will amend this State Water Control Board regulation to incorporate changes made by Chapter 356 (SB 657) of the 2022 Acts of Assembly of the General Assembly.

Senate Bill 188 authorizes the Department of Environmental Quality to allow the use of third-party long-term stewards to hold and manage the long-term management fund to maintain stream restoration projects.

### **Mandate and Impetus**

*Identify the mandate for this regulatory change and any other impetus that specifically prompted its initiation (e.g., new or modified mandate, internal staff review, petition for rulemaking, periodic review, or board decision). "Mandate" is defined as "a directive from the General Assembly, the federal government, or a court that requires that a regulation be promulgated, amended, or repealed in whole or part."*

---

SB 657 and SB 188 were passed during the 2022 Session of the General Assembly.

This regulatory action is required to conform the existing regulation to changes in Code.

### **Statement of Final Agency Action**

*Provide a statement of the final action taken by the agency including: 1) the date the action was taken; 2) the name of the agency taking the action; and 3) the title of the regulation.*

---

The State Water Control Board adopted these amendments to 9VAC25-900 on June 22, 2022 as a final regulation and affirmed that the Board will receive, consider, and respond to petitions by any interested person at any time with respect to reconsideration or revision.
