

**BOARD FOR ASBESTOS, LEAD, AND HOME INSPECTORS**

**AGENCY RESPONSE TO DPB'S ECONOMIC IMPACT ANALYSIS**

**Agency Response to Economic Impact Analysis (EIA) Performed by the Virginia Department of Planning and Budget (DPB):**

Concur with approval. DPB's EIA suggested that the Board consider reducing the length of the annual and biannual continuing education classes, which would reduce the compliance cost without a corresponding reduction in public health benefits. The Board will carefully consider all public comment concerning the duration and cost of the required training.
