Brief summary

Please provide a brief summary (no more than 2 short paragraphs) of the proposed new regulation, proposed amendments to the existing regulation, or the regulation proposed to be repealed. Alert the reader to all substantive matters or changes.

As required by § 10.1-1186.3.D of the Code of Virginia, the Board adopted the *Regulation for Dispute Resolution*, 9VAC20-15, and this regulation became effective on July 1, 2001. The provisions of § 10.1-1186.3 of the Code of Virginia reference the statutory requirements for dispute resolution and mediation under Chapter 20.2 and Chapter 21.2 of Title 8.01 of the Code of Virginia. Since the effective date of 9VAC20-15, the statutory requirements for dispute resolution and mediation under Chapter 20.2 and Chapter 21.2 of Title 8.01 of the Code of Virginia have been amended. Therefore, a regulatory action to revise 9VAC20-15 is necessary in order to comport to changes made to Title 8.01 of the Code of Virginia.

In addition, a periodic review was conducted prior to this regulatory action. No comments were received; however, the agency is undertaking this regulatory action as statutory changes have been made that necessitate this revision. Please see the periodic review/small business impact review result section for additional information.

Periodic review/small business impact review result

If this fast-track regulation is the result of a period review, please (1) summarize all comments received during the public comment period following the publication of the Notice of Periodic Review, and (2) indicate whether the regulation meets the criteria set out in Executive Order 14 (2010), e.g., is necessary for the protection of public health, safety, and welfare, and is clearly written and easily understandable.

If this fast-track regulation is also a small business impact review report of the regulation pursuant to §2.2-4007.1 E and F, include a discussion of the agency's consideration of: (1) the continued need for the regulation; (2) the nature of complaints or comments received concerning the regulation from the public; (3) the complexity of the regulation; (4) the extent to which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and (5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation. Also, include a discussion of the agency's determination of whether the regulation should be amended or repealed, consistent with the stated objectives of applicable law, to minimize the economic impact of regulations on small businesses.

A periodic review/small business impact review was initiated for this regulation on April 21, 2014 and ended on May 12, 2014. No comments were received during the public comment period. However, the agency's review indicated statutory changes to Chapter 20.2 and Chapter 21.2 of Title 8.01 of the Code of Virginia have been made since the effective date of this regulation. As § 10.1-1186.3 of the Code of Virginia references the requirements for dispute resolution and mediation under Chapter 20.2 and Chapter 21.2 of Title 8.01 of the Code of Virginia, a regulatory action to amend 9VAC20-15 is necessary to comport to the changes made to the statutory requirements for dispute resolution and mediation in Title 8.01 of the Code of Virginia.

The regulation complies with Executive Order 14 (2010) as it is required by statute and provides an option for an alternative resolution of disputes with regulatory actions or permit issuance. The regulation is clearly written and easily understandable.

The periodic review also included a small business impact review report of the regulation pursuant to §2.2-4007.1 E and F. There is a continued need for this regulation and the agency has determined that this regulation imposes no additional regulatory burden on small businesses.

The regulation is being amended in order to be consistent with changes to the statutory law for dispute resolution and mediation under Title 8.01 of the Code of Virginia.

Please assess the impact of the proposed regulatory action on the institution of the family and family stability including to what extent the regulatory action will: 1) strengthen or erode the authority and rights of parents in the education, nurturing, and supervision of their children; 2) encourage or discourage economic self-sufficiency, self-pride, and the assumption of responsibility for oneself, one's spouse, and one's children and/or elderly parents; 3) strengthen or erode the marital commitment; and 4) increase or decrease disposable family income.

There is no impact on the institution of the family or family stability.
