The Board is authorized under Va. Code § 54.1-2400 to “promulgate regulations in accordance with the Administrative Process Act (§ 2.2-4000 *et seq.*) which are reasonable and necessary to administer effectively the regulatory system.”

Any restraint on competition resulting from this regulatory action is a foreseeable, inherent, and ordinary result of the statute requiring the Board to protect the health and safety of patients in the Commonwealth. This action is in accord with the Commonwealth of Virginia’s policy as articulated in § 54.1-100 and is necessary for the preservation of the health, safety, and welfare of the public.

Therefore, this regulation has been approved for submission to DPB for administrative review.
