RE: 12 VAC 5-615 – Repeal of Regulations for Authorized Onsite Soil Evaluators

Date: June 24, 2013

The regulations are under review for repeal due to the transfer of implementation, administration, and enforcement of licensing requirements for onsite soil evaluators from VDH to the Department of Professional and Occupational Regulation in 2007.

VDH concurs with the conclusion reached by the Department of Planning and Budget's Economic Impact Analysis that the benefits for the proposed changes will likely exceed the costs for all proposed changes.
