Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

In July 2006, the Center for Quality Health Care Services and Consumer Protection of the Virginia Department of Health formerly changed its name to the Office of Licensure and Certification. This action, exempt from the APA pursuant to § 2.2-4006 A 3 of the Code of Virginia, amends sections of 12 VAC 5-391 to effect that name change in the regulation.
