AGENCY RESPONSE TO DPB's ECONOMIC IMPACT ANALYSIS

Agency Response to Economic Impact Analysis Performed by the Virginia Department of Planning and Budget Regarding the Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers, and Landscape Architects Regulations:

The agency makes the following clarification regarding statements on Pages #4 and #5 pertaining to the submission of transcripts by applicants for licensure:

Applicants applying through the proposed new architect education alternative will need to provide the Board with transcripts if such applicants have only a high school diploma or equivalent. Applicants that have a post-secondary degree or completed post-secondary coursework will be required to submit a degree verification form to the Board.
