BOARD WORKING PAPERS

1 The State Board of Elections (“the Board”) meeting was held on Friday,
2 May 1, 2026 in Martha Brissette Conference Room of the Washington Building in
3 Richmond, Virginia. The meeting also offered public participation through

26 Elections is currently under an injunction that prohibits the certification of the
27 results of the election. This matter is currently pending before the Supreme Court.
28 Once a final order is given by the court, ELECT will act accordingly. All localities
29 except for Tazewell County, which is also under the injunction, have certified their
30 local results. The Commissioner stated if an order from the Supreme Court permits
31 certification, ELECT will convene with the Board as soon as feasible for that
32 purpose. The Commissioner asked Chairman O'Bannon that this item be passed

IN RE: Stand By Your Ad Complaint against Peacemaker Aldo

Complaint No. 26-012

Initial Hearing Date: May 1, 2026

Final Determination Date: May 28, 2026

DECISION OF THE STATE BOARD OF ELECTIONS

I. PROCEDURAL BACKGROUND

The State Board of Elections (SBE) is a Governor-appointed board established to oversee the conduct of elections in Virginia.¹ In doing so, the SBE is required to determine whether violations of Chapter 9.5 of Title 24.2 of the Virginia Code have been committed.² Chapter 9.5 (commonly known as “Stand by Your Ad” or “SBYA”) prescribes disclosure requirements for sponsors of certain print, radio, and television advertisements relating to elections and sponsors of campaign telephone calls.³ SBYA does not establish statutory requirements as to how complaints relating to alleged violations of SBYA may be brought⁴ but rather only requires the SBE, in a public hearing, to determine whether to find a violation of SBYA and to assess a civil penalty.⁵ The SBE’s proceedings under Virginia Code § 24.2-955.3(D) are governed by the Virginia Administrative Process Act.⁶

¹ See Va. Code § 24.2-102 *et seq.*

⁴ See *id.*

⁵ *Id.* at § 24.2-955.3(D).

⁶ *Id.* at § 2.2-4000 *et seq.*

II. CASE HISTORY

Peacemaker Aldo was a candidate for Sheriff for Virginia Beach. On November 4, 2025, the Department of Elections (ELECT), on behalf of the SBE, received sixty complaints (November complaints) that three signs allegedly violated Virginia Code § 24.2-956 because the advertisements allegedly did not contain the disclosure statement required under that section.

On March 4, 2026, ELECT, on behalf of the SBE, sent required notice⁷ by certified mail to Peacemaker Aldo that a public hearing would be held on April 8, 2026, to determine whether to find a violation of SBYA and to assess a penalty with respect to the November complaints.

The SBE heard the November complaints at the April hearing. ELECT provided information relating to its investigation of the November complaint, and Peacemaker Aldo attorney provided testimony relating to the recent death of the respondent. The SBE continued proceedings to the May 1, 2026, meeting to confirm Peacemaker Aldo could not be present and to dismiss the case against Aldo.

III. FINDINGS OF THE STATE BOARD OF ELECTIONS

At the May hearing, ELECT confirmed that Peacemaker Aldo was a candidate, as defined in Virginia Code § 24.2-101, for Sheriff of Virginia Beach. ELECT could not confirm that Aldo sponsored the advertisement that were the subject of the November complaint on November 4, 2025. Due to his April 5th, 2026, death. ELECT could not further affirm that he sponsored the advertisements on November 4, 2025, and that the required disclosure statement was missing on the signs.

IV. FINAL ORDER

⁷ *Id.* at § 24.2-955.3(D).

The hearing of May 1, 2026, relating to the violation of Chapter 9.5 of Title 24.2 of the Virginia Code by Peacemaker Aldo having been given due regard, and for the reasons set out herein, the SBE finds that the complaint against Aldo be dismissed.

Complaint No. 26-013

Initial Hearing Date: May 1, 2026

Final Determination Date: May 28, 2026

DECISION OF THE STATE BOARD OF ELECTIONS

I. PROCEDURAL BACKGROUND

The State Board of Elections (SBE) is a Governor-appointed board established to oversee the conduct of elections in Virginia.¹ In doing so, the SBE is required to determine whether violations of Chapter 9.5 of Title 24 of the Virginia Code have been committed.² Chapter 9.5 (commonly known as “Stand by Your Ad” or “SBYA”) prescribes disclosure requirements for sponsors of certain print, radio, and television advertisements relating to elections and sponsors of campaign telephone calls.³ SBYA does not establish statutory requirements as to how complaints relating to alleged violations of SBYA may be brought⁴ but rather only requires the SBE, in a public hearing, to determine whether to find a violation of SBYA and to assess a civil penalty.⁵ The SBE’s proceedings under Virginia Code § 24.2-955.3(D) are governed by the Virginia Administrative Process Act.⁶

⁴ See *id.*

⁶ *Id.* at § 2.2-4000 *et seq.*

II. CASE HISTORY

Amy Riccardi. was a candidate for School Board in the 2025 November General Election. On September 16, 2025, the Department of Elections (ELECT), on behalf of the SBE, received one complaint (September complaint) that Amy Riccardi sponsored one video that allegedly violated Virginia Code § 24.2-957.1 because the video allegedly did not contain the disclosure statement required under that section.

On March 4, 2026, ELECT on behalf of the SBE, sent required notice⁷ by certified mail to Riccardi that a public hearing would be held on April 8, 2026, to determine whether to find a violation of SBYA and to assess a penalty with respect to the September complaint. Per the committee's request the hearing was continued to May 1, 2026.

The SBE heard the September complaint at the May 1, 2026 hearing. ELECT provided information relating to its investigation of the September complaint, and Riccardi's representative provided testimony relating to the September complaint and alleged violation. The SBE determined that Riccardi sponsored one video in violation of Virginia Code § 24.2-957.1 and to assess a penalty with respect to the violation of \$25.00.

III. FINDINGS OF THE STATE BOARD OF ELECTIONS

At the May 1, 2026, hearing, Amy Riccardi's representative confirmed that she purchased the video that was the subject of the September complaint, and that the required disclosure statement was not included in the video presented. Screen shots of an alternative video were produced by Riccardi's representative.

Based on the evidence presented at the May 1, 2026, hearing, the SBE finds that Amy Riccardi violated Virginia Code § 24.2-957.1. The SBE finds that, in purchasing the video, Amy

⁷ *Id.* at § 24.2-955.3(D).

Riccardi was a sponsor of an advertisement to whom the scope of disclosure requirements applied under Virginia Code § 24.2-955. The SBE further finds that the video sponsored by Amy Riccardi was video media, as defined in Virginia Code § 24.2-957 and that the video sponsored by Amy Riccardi did not include the disclosure statement required under Virginia Code § 24.2-957. Section 24.2-957.1, in relevant part, establishes the following:

It bears the legend or includes the statement: "Paid for by [Name of candidate or campaign committee as it appears on the statement of organization]." Alternatively, if the advertisement is supporting a candidate who is the sponsor and the advertisement makes no reference to any other clearly identified candidate, then the statement "Paid for by [Name of candidate]" may be replaced by the statement "Authorized by [Name of candidate]."

Under the schedule of penalties established by the SBE⁸, a unanimous vote for a first-time violation that does not cause harm is punishable by a \$25.00 penalty. Based on the evidence presented at the May 1, 2026, hearing, Amy Riccardi sponsored one video in violation of Virginia Code §24.2-957.1 As such, the SBE determines that Amy Riccardi will be assessed a \$25.00 penalty.

⁸ See Va. State Bd. of Elections, *SBE Working Papers January 28, 2020*, https://townhall.virginia.gov/L/GetFile.cfm?File=Meeting\151\30342\Agenda_ELECT_30342_v7.pdf.

IV. FINAL ORDER

The hearing of May 1, 2026 relating to the violation of Chapter 9.5 of Title 24 of the Virginia Code by Amy Riccardi having been given due regard, and for the reasons set out herein, the SBE finds that Amy Riccardi violated Virginia Code § 24.2-957.1 one time by sponsoring one video in violation of Virginia Code § 24.2-957.1 and orders that a penalty of \$25.00 be assessed against Amy Riccardi.

Re: Campaign Finance Penalties Appeal Hearing

Suggested Motions:

- GRANTING APPEAL: “Pursuant to § 24.2-953.6 of the Code of Virginia, because the petitioner has demonstrated good cause to justify relief of the assessed campaign finance penalty(s), I move that the State Board of Elections grant relief...
 - ...as requested by the petitioner.”
 - or-
 - ...[*state relief to be granted if different than requested*].”
- DISMISSING APPEAL: “Pursuant to § 24.2-953.6 of the Code of Virginia, I move that the State Board of Elections dismiss the petitioner’s appeal of the assessed campaign finance penalty(s) for failure to show good cause.”

Applicable Code Section:

Va. Code § 24.2-953.6

Background:

Pursuant to § 24.2-953.6 of the Code of Virginia, the Board has discretion to grant relief for campaign finance penalties if good cause is shown that either:

- Circumstances present within a reasonable amount of time of the filing deadline made filing or requesting an extension impracticable; or
- An administrative error occurred in the assessment of the penalty.

Consistent with the Board’s policy, ELECT has scheduled a hearing for 9 appeals and prepared for the Board a summary (including supporting documentation) for each appeal. The list of petitioners are as follows:

Locally Assessed:

1. Friends of Michelle Rief (Alexandria City)
2. David Horton for Mayor (Radford City)
3. Shawn Davis for Board of Supervisors (Franklin County)
4. Rick Johnson for Staunton Treasurer (Staunton City)
5. Friends of Donald Jacob Westbrook (New Kent County)

State Assessed:

1. Friends of Andy Pittman
2. Central Virginia Young Democrats
3. Loudoun 2040!
4. Virginians Advocating for Seniors PAC

State Board Decision

After reviewing all materials and hearing from interested parties, the Board will either grant or dismiss the appeal based on whether good cause is provided. If granted, the Board must decide whether to provide the relief requested or a different amount (or type). The relief provided may include a retroactive extension of the deadline and may not include excusing the requirement to file the required report.

Written Opinion

The Board must issue a written opinion explaining its decision no later than 21 days after the hearing. ELECT will prepare a draft opinion for each appeal and provide it to the Board members for their review within the required timeframe.

[S 945]

Approved March 21, 2025

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 8 of Chapter 9.3 of Title 24.2 a section numbered 24.2-953.6 as follows:

§ 24.2-953.6. Appeal of penalties.

A. Any person or committee shall have the right to appeal a civil penalty assessed to it pursuant to this chapter by filing a petition of appeal with the State Board, on a form prescribed by the State Board, within the 60 days following its actual receipt of written notice of such penalty. The petition shall state the grounds upon which the appeal is being made in addition to any additional information required by the State Board.

B. The appeal shall be adjudicated by the State Board in a public hearing. The State Board shall develop procedures for the conduct of such hearing. At least 10 days prior to such hearing, the State Board shall send notice by certified mail to any person whose petitions of appeal will be reviewed at such hearing. Notice shall include the time, date, and place of the hearing.

Consideration on appeal shall be limited to whether the petition and any supporting documents submitted by the petitioner establish (i) facts of circumstances present within a reasonable amount of time of the filing deadline that made filing or requesting an extension impracticable or (ii) an administrative error in the assessment of the penalty.

C. The State Board shall be authorized to provide relief for good cause shown by the petitioner and found by the Board sufficient to justify the relief requested. Such relief may include forgiveness of all or a portion of an assessed civil penalty, the retroactive extension of a deadline, or other appropriate remedy. Such relief shall not include an exemption from filing a report that is otherwise required to be filed pursuant to this chapter.

D. For each appeal that it hears, the State Board shall issue a written opinion, which shall include the facts put before the State Board, the State Board's decision, and the State Board's rationale for reaching such decision. The State Board's opinion shall be published on the Department of Elections website and a copy of the opinion shall be mailed to the petitioner as notice of the State Board's decision not later than 21 days after the conclusion of the appeal hearing. The decision on appeal shall be final and not subject to further appeal.

E. The time for notifying an attorney for the Commonwealth of a violation of this chapter pursuant to subsection F of § 24.2-946.3 shall be tolled from the time the State Board receives a petition of appeal until notification to the petitioner by the State Board of its decision on such petition.

In the Aviator game, there are two types of mindset:

Some people wait for rare x5-x10 multipliers to win a lot of money at once and constantly lose control, while others choose small x1.1-x1.5 multipliers, make predictable decisions, and focus on steady results.

If you can press the button earlier than others, it can put you ahead.

Гидрофобизатор для бетона — это эффективное решение для защиты бетонных поверхностей от влаги и преждевременного разрушения. Он проникает в поры материала, снижает водопоглощение, предотвращает появление трещин, высолов и увеличивает морозостойкость бетона. При этом поверхность не покрывается плёнкой и сохраняет естественный внешний вид.

Такую обработку часто применяют для фундаментов, фасадов, отмосток, балконов и бетонных дорожек, особенно в условиях повышенной влажности и перепадов температур. Грамотно подобранный гидрофобизатор может значительно продлить срок службы конструкций и сократить расходы на ремонт.

А вы пользовались гидрофобизатором для бетона — какой результат получили и на что посоветуете обратить внимание при выборе? Интересует [\[redacted\]](#)

Особенно ценна точность измерений и возможность работы на больших участках без постоянного контроля ручным уровнем.

А у вас был опыт работы с оптическими нивелирами? Какие модели вы считаете надёжными и удобными для строительства или ремонта? Помогите выбрать [\[redacted\]](#)

Почитал тут материал — по факту больше не про новость, а про сам сервис.

Что именно — каждый поймёт по-своему: кто увидит магазин, кто бот, кто просто платформу под разные задачи.

На первый взгляд всё выглядит довольно стандартно, но если покопаться — есть нюансы.

Функционал не перегружен, логика понятная, квест, в целом, изи.

Зашёл, разобрался без лишних танцев, всё интуитивно.

Сайт у меня открылся нормально, но сразу скажу — лучше использовать VPN, без него иногда может не пускать или грузить через раз.

С VPN всё ок, без сюрпризов.

Отдельно понравилось, что сервис живой:

бот отвечает, статусы обновляются, уведомления приходят.

Если вдруг что-то пошло не так — диспут открывается, поддержка реагирует.

Лично сталкивался пару раз — вопрос закрывали, деньги возвращали, без лишней нервозности.

Пока сложно сказать, насколько это надолго и во что всё выльется дальше, но как рабочий вариант — выглядит вполне адекватно.

Не идеал, конечно, но и не скам на коленке.

Кому интересно — вот ссылка:

[redacted]

В общем, сервис как сервис.

Можно пользоваться, можно тестить, а дальше уже каждый решает сам.

Интересно, есть ли у кого ещё опыт с подобными штуками — опишитесь.

David Horton

January 16, 2026

Dear David:

A careful review of our records shows that David Horton for Mayor failed to file the campaign finance report due on January 15, 2026 by the 11:59 p.m. deadline.

According to the civil penalty schedule adopted by the State Board of Elections, the committee must be assessed a penalty of \$100 for not submitting the required campaign finance report by the deadline. Any additional late reports during this election cycle will result in a \$1,000 fine.

The failure to pay the civil penalty within 60 days of the deadline for this filing period will result in the Radford City General Registrar requesting the Commonwealth's Attorney to enforce collection.

Filing Period	Report Deadline	Assessed Penalty
July 1, 2025 – December 31, 2025	January 15, 2026	\$100.00
Invoice Number: 5685	Total Amount Due:	\$100.00

Please make your check in the amount of \$100 payable to the Radford City Treasurer. Please reference invoice number 5685 and forward this payment confirmation to the Radford City General Registrar.

Pursuant to Va. Code § 24.2-953.6(A), if circumstances made it impracticable to file or request an extension by the deadline or the penalty was wrongfully assessed due to an administrative error, you may file an appeal to the State Board within 60 days of receipt of the penalty at <https://cfapps.elections.virginia.gov/Appeal>. Pursuant to Va. Code § 24.2-953.6(C), the State Board may, in its discretion, grant relief for good cause shown. For questions related to the appeal process, please contact CFAppeals@elections.virginia.gov.

If you feel that you require additional information or that you have received this letter in error, please contact our office at 540-267-3156.

Hi Emily,

No, he was not fined/penalized for these. I officially became GR on March 1, 2023, and the former GR did not fine/penalize local candidates. Tammy visited my office in the summer of 2023 to guide me in cleaning things up going forward.

I hope this helps,
Lindsey

Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: I was trying to file my final report, since I am no longer running. I had paid all of my final bills under this account. When I went to submit it would have an error come up, because the balance in my account was not at 0. I did not want to submit the report with this error, but didnt know how to correct it. I reached out the the general registrar and she informed me that I would need to withdrawal the remaining funds from that account and write that in for the final expenses. This would have my account at a 0 balance and would allow me to submit a final report. This was my first time running and did not know this would be an issue until I tried to finalize my reports.

Relief Sought: I would like to request the full relief of the penalty. I will submit my final report with the 0 balance to close out my financial reports.

1255 FRANKLIN STREET, SUITE 106 • ROCKY MOUNT, VIRGINIA 24151

January 16, 2026

Shawn M. Davis

CC-25-00445

Dear Shawn,

A careful review of our records shows that Shawn Davis for Board of Supervisors did not file its report on January 15, 2026, which is the report's required deadline, and you must still file this report. According to the civil penalty schedule adopted by the State Board of Elections, the committee must be assessed a civil penalty for not submitting the required campaign finance report by the deadline. Since this is during this election cycle and your second late report this will result in a \$1000 fine. The failure to pay the civil penalty within 60 days of the deadline for this filing period will result in the Franklin County General Registrar requesting the Commonwealth's Attorney to enforce collection.

Filing Period Ending	Report Deadline	Assessed Penalty
December 31, 2025	January 15, 2026	
Invoice Number CC-25-00445-2	Total Amount Due:	\$1,000.00

Please make your check in the amount of \$1,000.00 payable to the Treasurer of Franklin County. Please reference invoice number CC-25-00445-2 and forward this payment to the Franklin County General Registrar.

Pursuant to Va. Code § 24.2-953.6(A), if circumstances made it impracticable to file or request an extension by the deadline or the penalty was wrongfully assessed due to an administrative error, you may file an appeal to the State Board within 60 days of receipt of the penalty at <https://cfapps.elections.virginia.gov/Appeal> . Pursuant to Va. Code § 24.2-953.6(C), the State Board may, in its discretion, grant relief for good cause shown. RICK JOHNSON FOR STAUNTON TREASURER (CC-25-00652)

BASIS FOR APPEAL:

Filing Report/Requesting Extension Impracticable by Deadline

GROUND(S) FOR RELIEF:

Candidate stated that they believed that their filing obligations stopped after the December 2025 deadline.

REPORT(S) APPEALED:

1/15/2026

- Penalty Assessed (\$100) 2/10/2026 by Staunton City General Registrar (Christi Linhoss)

RELIEF REQUESTED:

Forgiveness of Assessed Penalty (\$100)

LATE FILING HISTORY:

No Prior Late Filings on Record

AGGRAVATING FACTOR(S):

Committee had 15 days to file the report. Candidate received 2 email reminders for the deadline. Committee was emailed the Summary of Laws and Policies, along with the full reporting schedule for 2025. This included the January 15, 2026 reporting deadline in the emailed schedule. The exemption form, the candidate signed, states that the report must be filed as a final report.

AGGRAVATING FACTOR(S):

Candidate was under the impression that he only needed to file one report, not knowing that it had to be a final report.

SUGGESTED MOTIONS:

GRANT, AS REQUESTED: "Pursuant to § 24.2-953.6 of the Code of Virginia, because the petitioner has demonstrated good cause to justify relief of the assessed campaign finance penalty(s), I move that the State Board of Elections grant relief as requested by the petitioner (*Petitioner is requesting forgiveness for the \$100 assessed penalty.*)"

GRANT, NOT AS REQUESTED: "Pursuant to § 24.2-953.6 of the Code of Virginia, because the petitioner has demonstrated good cause to justify relief of the assessed campaign finance penalty(s), I move that the State Board of Elections grant relief *...(state relief to be granted if different than requested).*"

DISMISS PETITION: "Pursuant to § 24.2-953.6 of the Code of Virginia, I move that the State Board of Elections dismiss the petitioner's appeal of the assessed campaign finance penalty(s) for failure to show good cause."

ELECT COMMENT(S):

This committee was emailed the Summary of Laws and Policies, in which Virginia § 24.2-947.6 states that committees must file in nonelection years, until a final report has been filed. Exempt candidates are informed that the report they need to submit, in order to qualify for the exemption, must be a final report. Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: Through 5 election cycles everything had been done by the book - even with changing requirements to open checking account when running unopposed and not planning to take in or spend any funds. Being exempt, I thought the 12/5/25 -on time- report was the last one for this cycle. I confused final report as I thought it meant I want running again, and I plan to in 4 years, or I would have submitted final on that one . The reminder to file a 1/15/26 report was sent on 1/15/26 - I was away without email access until 1/28/26. Upon seeing the mail from 1/15/26, I immediately filed my empty report. I respectfully request waiver of the 100 penalty.

Relief Sought: Forgive of the 100 penalty.

Failure to pay the civil penalty within 60 days of the date of this notice will result in the City of Staunton General Registrar requesting the Commonwealth's Attorney to enforce collection. Campaign Finance Reports must be filed online through the Department of Election's COMET website.

Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: the Members of the State Board of Elections, I respectfully submit this letter as a formal appeal regarding the 1,000 civil penalty assessed for the late filing of a campaign finance report. At the outset, I want to acknowledge and accept responsibility for the initial 100 late filing penalty related to this matter, which I intend to pay. I understand the importance of timely campaign finance reporting and support the transparency these requirements are intended to uphold. I am respectfully requesting reconsideration to waive the subsequent 1,000 penalty due to the unique circumstances surrounding this matter and my documented good-faith efforts to comply. This appeal is based on the fact that the late filing was not due to disregard for compliance obligations, but rather resulted from an unresolved reporting issue for which I sought assistance from the Board well before the filing deadline. Specifically, on December 22, 2025, we contacted Tammy Alexander seeking assistance in reconciling an issue that was preventing us from properly completing the filing ahead of the January 15, 2026 deadline. Unfortunately, despite our efforts to obtain help before the due date, we did not receive a response in time to file. Ms. Alexander did not respond until January 28, 2026, after the filing deadline had already passed. Upon responding, Ms. Alexander referred us to Donald Gaines for further assistance. Mr. Gaines responded on February 10, 2026, and continued working with us to resolve the underlying issue. Ultimately, the issue was not fully resolved until March 3, 2026, when Mr. Gaines was able to correct the problem by manipulating the reporting system and forcing a date change related to a check deposit in order to reconcile the report properly. These facts are significant because they demonstrate We proactively sought assistance weeks before the filing deadline in an effort to comply The filing issue could not be resolved without intervention from Board personnel The underlying problem involved a system/reporting issue that ultimately required technical manipulation by Board staff to correct Delays in obtaining assistance materially contributed to the late filing There was no intent to evade reporting requirements or withhold disclosures, but rather a sustained good-faith effort to resolve a technical compliance issue. I accept the initial 100 penalty as accountability for the late filing itself. However, I respectfully submit that the additional 1,000 penalty is disproportionate under these circumstances, particularly where the same underlying issue generated both penalties and where the delay was compounded by unsuccessful attempts to obtain timely assistance from the Board. Accordingly, I respectfully request that the Board waive the 1,000 penalty in consideration of these mitigating circumstances and the documented good-faith efforts made to comply. Thank you for your time, consideration, and service. I respectfully ask for favorable consideration of this appeal and am happy to provide supporting correspondence or documentation related to the contacts and timeline described above. Sincerely,

Relief Sought: I am requesting a forgiveness of the full penalty assessed.

Office of the
GENERAL REGISTRAR

March 03, 2026

Dear Mr. Donald Jacob Westbrook/Friends of Donald Jacob Westbrook

A careful review of our records shows that Donald Jacob Westbrook/Friends of Donald Jacob Westbrook Supervisor has not filed a campaign finance report; the report was due on January 15, 2026. According to the civil penalty schedule adopted by the State Board of Elections, a committee must be assessed a penalty of \$100.00 for not submitting a required campaign finance report by the deadline. I am sure this was an oversight on your part. **Any additional late reports during this cycle will result in a \$1000.00 fine.**

Finally, the failure to pay the civil penalty within 60 days of the deadline for this filing period will result in the New Kent County General Registrar requesting the Commonwealth’s Attorney enforcing collection.

Filing Period Ending	Report Deadline	Assessed Penalty
July 01, 2025- December 31, 2025	January 15, 2026 (IMMEDIATELY)	\$1,000.00 (Please see Bold print above.)
TOTAL AMOUNT DUE		\$1,000.00

Please make your check in the amount of \$1,000.00 payable to the treasurer of New Kent County. Please reference invoice number 24.2-946.3(D)-NKC-5 and forward this payment to the New Kent County treasurer’s office.

If you feel that you require additional information or have received this letter in error, please contact our office as soon as possible at 804-966-9699.

Donald,

I got your email from Tammy Alexander, she said you would be able to assist me in getting Jake's Reporting requirement reconciled for 2023!! I have started this process from the very first report period and I have already found a mistake. I have been unable to fix it. The very first reporting period that I have is 4/17/2023 to 6/8/2023. My problem is that a deposit was made on 4/13/2023 for \$100 and it does not recognize that amount because it was BEFORE the reporting period.

I do not know what to do.

If you could please help me, I would greatly appreciate it. Please give me instructions on how to proceed. Or if possible, please give me a call.

Thank you,

Thank you for your reply. I went back to the very beginning and found 2 errors. One was a receipt amount for RPV that was for \$1715.48 and it should not have been included. So I deleted it and amended the report. The other problem is a \$16.99 on 11/6/2023 that is not showing up on that period. I've made several amendments and can't seem to get them to line up correctly. Any input would be appreciated. Thank you

I am a new treasurer for Donald Jacob Westbrook New Kent County Board of Supervisor District 2 candidate and am unable to complete the Comet report due today. Please call me as soon as possible. I do not want to miss the deadline!

Donald,

I got your email from Tammy Alexander, she said you would be able to assist me in getting Jake's Reporting requirement reconciled for 2023!! I have started this process from the very first report period and I have already found a mistake. I have been unable to fix it. The very first reporting period that I have is 4/17/2023 to 6/8/2023. My problem is that a deposit was made on 4/13/2023 for \$100 and it does not recognize that amount because it was BEFORE the reporting period.

I do not know what to do.

If you could please help me, I would greatly appreciate it. Please give me instructions on how to proceed. Or if possible, please give me a call.

Thank you,
Dinda Westbrook

Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: I am appealing the Jan. 16, 2026 imposition of a 1,000 penalty for late filing of the finance report due on Jan. 15, 2026. Good cause for granting this appeal exists because circumstances made filing the required report or requesting an extension by the deadline impracticable. In June 2025, my then 14-month old daughter was diagnosed with a very rare and aggressive leukemia / brain cancer. In Oct. 2025, following chemotherapy treatments at a childrens hospital in Virginia, my daughter was transferred out of state to Duke University Hospital in North Carolina for stem cell therapy, and continues to receive treatment from Duke. On Jan. 15, the date the report was due, I was out of state at Duke with my family for an extended appointment over 5 hours and a lengthy conference with our lead stem cell doctor to discuss weighty decisions regarding next treatment steps, including which maintenance chemotherapy drugs my daughter should receive as part of her treatment regimen. That night, I fell asleep while putting my other two children to bed. I woke up at approximately 130 a.m., and saw an email from the Department of Elections advising that a penalty was assessed for missing the reporting deadline. That email was sent at 1209 a.m. on Jan. 16. I had not realized on the 15th that the report was due given my focus on my daughters care and treatment plan. I did not receive any reminder emails from the Department of Elections on Jan. 15 advising that the report was due that day. I took immediate corrective action, and stayed awake through the middle of the night working on the report, which I submitted at 327 a.m., less than 3 and 1/2 hours past the midnight deadline. I have tried on multiple occasions to submit reports early before the deadline, but the COMET system will only allow me to submit reports on the day that they are due. It would be helpful if the system were adjusted to allow for early filing of the reports before the due date. Having only a 24 hour window to submit a report does not allow sufficient flexibility for unexpected life circumstances. it would also be helpful if the Department of Elections sent reminder emails on the day the report is due. The circumstances here do not merit the severity of the penalty imposed. There was no harm or prejudice caused by the brief delay in filing the report. There were no significant items to report - the report only included less than 250 in reported expenditures. The report was filed less than 3 and 1/2 hours late, and prior to the start of the next business day. As stated above, I took immediate corrective action upon learning that the report was past due.

Relief Sought: In light of the above, and for good cause shown, I respectfully request relief in the form of complete forgiveness of the penalty imposed, and a retroactive extension of the due date to Jan. 16, 2026. I appreciate the Boards consideration of this appeal.

CENTRAL VIRGINIA YOUNG DEMOCRATS (PP-26-00007)

BASIS FOR APPEAL:

Filing Report/Requesting Extension Impracticable by Deadline

GROUND(S) FOR RELIEF:

Petitioner states that the committee was unaware that they needed to file a report for a previous deadline, until after they submitted the Statement of Organization on May 7th.

REPORT(S) APPEALED:

4/15/2026

- Penalty Assessed (\$100) 5/8/2026 by ELECT

RELIEF REQUESTED:

Forgiveness of the assessed penalty (\$100)

LATE FILING HISTORY:

No prior late filed reports

AGGRAVATING FACTOR(S):

The committee filed their Statement of Organization after a reporting deadline.

MITIGATING FACTOR(S):

The committee does not need to file a Statement of Organization, as they have not received more than \$15,000 in the calendar year.

The committee was unaware that they were required to file the April 15th report.

SUGGESTED MOTIONS:

GRANT, AS REQUESTED: "Pursuant to § 24.2-953.6 of the Code of Virginia, because the petitioner has demonstrated good cause to justify relief of the assessed campaign finance penalty(s), I move that the State Board of Elections grant relief as requested by the petitioner (*requested relief is to forgive the penalty to \$100.*)"

GRANT, NOT AS REQUESTED: "Pursuant to § 24.2-953.6 of the Code of Virginia, because the petitioner has demonstrated good cause to justify relief of the assessed campaign finance penalty(s), I move that the State Board of Elections grant relief ...(state relief to be granted if different than requested)."

DISMISS PETITION: "Pursuant to § 24.2-953.6 of the Code of Virginia, I move that the State Board of Elections dismiss the petitioner's appeal of the assessed campaign finance penalty(s) for failure to show good cause."

ELECT COMMENT(S):

The party was not required to file a Statement of Organization, as they are required to file one after they have received/spent \$15,000 in a calendar year. Their filed reports indicate that they only received \$1 in total for the calendar year thus far, placing them in exemption. If the party is not required to file a Statement of Organization, they are not required to file campaign finance reports under VA § 24.2-950.1.

- See ELECT Supporting Document(s)

The committee stated that activity occurred on February 27th and that automatically marked the start of their reporting activity, without accounting how much they received in contributions.

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: The Central Virginia Young Democrats is a very new organization. Appeal Information

Reason for Appeal:

- There was an administrative error in the assessment of the penalty.

Grounds for Appeal: i filed a report on April 7th that was supposed to be the required report. it appears the system let me file a report for 2019 instead of the required 2026 Q1 filing. we have no activity and therefore the filing is a simple formality. I did not notice that it was for the wrong period. I have done my best to stay compliant and this was in no means anything other than an administrative error. We ask for forgiveness on this filing.

Relief Sought: the corrected filing was completed 4.16.26 as soon as we got to the office and received notice of the error. We respectfully request that you waive the 100 fine.

Caution: This Email Originated Outside ELECT. Exercise Caution When Opening Attachments or Clicking Links, Especially From Unknown Senders.

It would appear that on 4/7/26 I filed the report for 1/1/26-3/31/26. Listed below. The attached email shows that I processed the form. However, while I thought I filed the correct filing, that is not the case. It would appear I filed a report for 2019, as we have no activity, I did not notice at the time this was the case. As I thought I filed, and did file, I respectfully request an abatement of the fine for non filing of the CORRECT period. Not sure why the system would let me file the same report for the same non activity, but it would appear there are no safeguards to prevent me from making a novice mistake.

Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: Organizing for Virginia Seniors the PAC respectfully submits this appeal requesting good cause consideration and partial penalty relief regarding the late filing of a large contribution report. The PAC registered with the State Board of Elections on October 30, 2025. Upon registration, the PAC received an email confirmation acknowledging the PACs registration containing a reporting schedule and relevant due dates, but there was no mention or indication of a large contribution reporting requirement. Additionally, October 30, 2025, was the close of books for a regular reporting period, and the PAC submitted a no activity report on October 31, 2025. The PAC did not receive the contribution until November 19, 2025, and the next regularly scheduled report was not due until January 15, 2026. As a result, the PAC did not access the electronic filing system between filing the initial report and the preparation of the January report. The PAC was not aware of the large contribution reporting requirement, as this was the first reporting period in which the PAC had received any contributions and the first time the requirement had been triggered. Upon logging into the electronic filing system to prepare the January 15 report, the PAC immediately encountered a system notice that a large contribution filing was overdue and filed the report the same the day the deficiency was discovered.

Relief Sought: In light of the PACs status as a new filer, its good-faith and immediate remediation, the absence of any prior violations, and the fact that the filings were attributable to a lack of knowledge on a specific statutory requirement rather than neglect or disregard of the reporting rules, the PAC respectfully requests the Board forgive the penalty assessed.

Appeal Information

Reason for Appeal:

- Circumstances made filing the required report or requesting an extension by the deadline impracticable.

Grounds for Appeal: Organizing for Virginia Seniors the PAC respectfully submits this appeal requesting good cause consideration and partial penalty relief regarding the late filing of a large contribution report. The PAC registered with the State Board of Elections on October 30, 2025. Upon registration, the PAC received an email confirmation acknowledging the PACs registration containing a reporting schedule and relevant due dates, but there was no mention or indication of a large contribution reporting requirement. Additionally, October 30, 2025, was the close of books for a regular reporting period, and the PAC submitted a no activity report on October 31, 2025. The PAC did not receive the contribution until December 26, 2025, and the next regularly scheduled report was not due until January 15, 2026. As a result, the PAC did not access the electronic filing system between filing the initial report and the preparation of the January report. The PAC was not aware of the large contribution reporting requirement, as this was the first reporting period in which the PAC had received any contributions and the first time the requirement had been triggered. Upon logging into the electronic filing system to prepare the January 15 report, the PAC immediately encountered a system notice that a large contribution filing was overdue and filed the report the same the day the deficiency was discovered.

Relief Sought: In light of the PACs status as a new filer, its good-faith and immediate remediation, the absence of any prior violations, and the fact that the filings were attributable to a lack of knowledge on a specific statutory requirement rather than neglect or disregard of the reporting rules, the PAC respectfully requests the Board forgive the penalty assessed.
