---

---

**Break**

---

**Subcommittee Brainstorm: Handbook Content (continued)**

All

- Sub-Committee Discussions
- Report Out

*SAG members will form groups based on the subcommittees and brainstorm specific subcommittees' areas of interest. Topics that will be discussed include:*

- **Outline, Chapters & Handbook Planning, Production, and Outreach Subcommittee:** Review draft chapters content sent to SAG members. Provide feedback and identify SAG members that can contribute content.
- **SWM BMPs Group and Calculations Subcommittee:** Members of the Calculations Subcommittee and the E&S and SWM BMPs Subcommittee that specialize on SWM BMPs are requested to participate in this work group to review the stormwater BMP specifications (**focus on MTDs** [content sent to SAG for review] **and Trees** [initial discussion, content under development]) and provide feedback. Identify SAG members that can contribute content.
- **E&S Controls Group:** All the E&S (Construction) BMPs have been reviewed by the SAG. This work group will **not** meet during this meeting. Participants are encouraged to join the SWM BMPs Group.

---

**Lunch Break**

---

**Subcommittee Brainstorm: Handbook Content (continued)**

All

*SAG members will continue discussions in the same groups as above.*

---

**Public Comment**

DEQ Staff

*SAG members and/or public are invited to provide thoughts and comments.*

---

**Wrap-Up**DEQ Staff
