JOINING THE MEETING

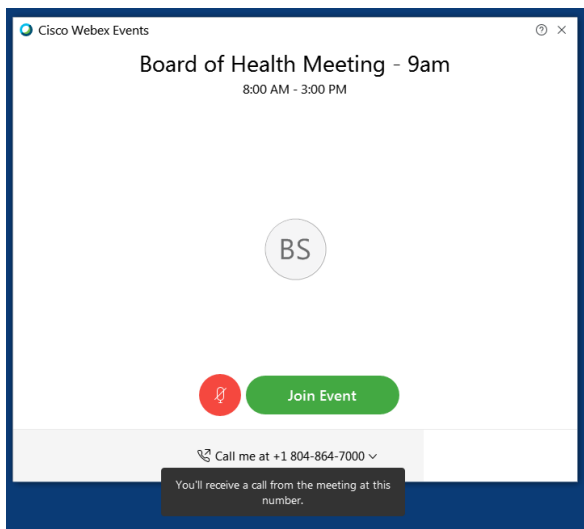

On the day of the meeting, you will click in the email to join the meeting.

You will need to enter your name as it appeared on the registration in order to join.

You should select the “CALL ME AT” option to connect for audio. DO NOT select the call in nor use computer audio options.

Enter your 10 digit phone number and click the blue check mark.

Click Join Event.

You will receive a phone call from the meeting platform.

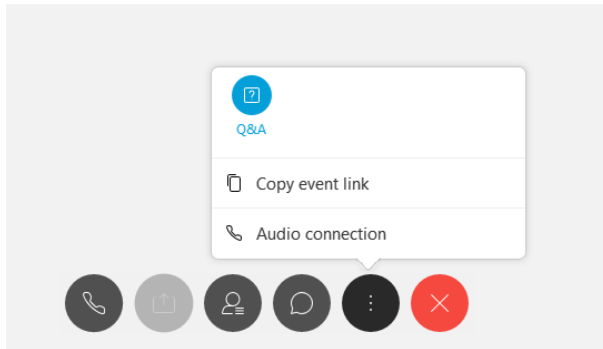

You will be prompted to press 1 when you answer the phone to connect.

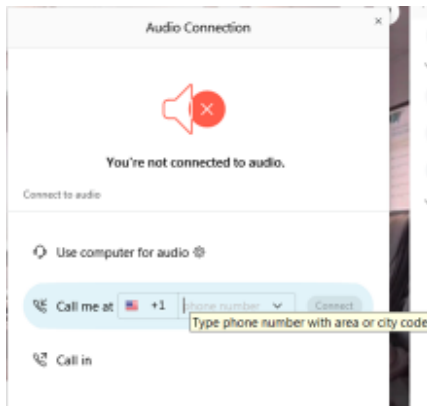

Note that you will be automatically muted when you join the meeting. You cannot unmute yourself to be heard during the meeting until the host unmutes you. This will occur during the public comment period for those who have signed up to do so.

Audio settings:

In order to facilitate public comment, you will need to use your phone to dial in. It is very important that you follow these instructions to merge your phone and computer identification. This will allow you to be unmuted to speak during public comment if you have signed up.

If you have joined the meeting without having WebEx call you, you will need to change the audio settings. Click on the “MORE” control button and select audio connection. **DO NOT** use the call-in option nor the computer audio option.

You will change the type of connection and select “CALL ME AT”. Enter your 10 digit phone number and click CONNECT. Press 1 when prompted on the incoming phone call.
