Amendments to Board for Waterworks and Wastewater Works Operators  
Regulations

---

I have reviewed the Board for Waterworks and Wastewater Works Operators and Onsite Sewage System Professionals' amendments to the regulations to amend the definitions of Supervision, SDS Experience and Document Requirements for Installers. In my view, as counsel to the Board for Waterworks and Wastewater Works Operators and Onsite

Sewage System Professionals, the Board may promulgate these regulations pursuant to § 54.1-2301 D of the *Code of Virginia*. The regulations do not appear, on their face, to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with federal or state law currently in effect.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed regulations.
