

LOCALITY GROUPINGS

Locality Groupings.22 VAC 40-293-10 Definitions.

The following words and terms, when used in this chapter, shall have the following meaning unless the context clearly indicates otherwise:

“Locality groupings” means the placement of a locality into either Group I, Group II, or Group III, which determines the Temporary Assistance for Needy Families (TANF) payment level for families residing in that locality.

“Standard of assistance” means the TANF payment standard that is graduated by family size.

“State Board” means the State Board of Social Services.

22 VAC 40-293-20. Changing locality groupings.

A. A locality may change standard of assistance locality groupings by approval of the State Board. The local board of social services shall request the change in writing to the State Board of Social Services and shall provide:

1) the most recently available fair market rent data from the U.S. Department of Housing and Urban Development. Other data sources may be used upon approval of the State Board. Such data shall include a comparison of shelter costs in the petitioning locality and adjacent localities; and

2) data showing the proportion of TANF recipients to the general population of the locality, in the case of a request to change to a lower locality

grouping. Such data shall include a comparison of the proportion of TANF recipients in the petitioning locality and adjacent localities; and

3) documentation that the request to change locality groupings has been reviewed by the local governing body.

B. The Department of Social Services shall prepare a fiscal impact statement.

The fiscal impact statement shall include the cost of benefits, the cost of altering information systems, and associated administrative costs. If the fiscal impact statement demonstrates increased costs, the Commissioner of the Department of Social Services must certify that funds are available for increased costs.

C. If the State Board approves a request to be reclassified into a locality grouping with lower standards of assistance, such reclassification shall be phased in by providing that eligibility and the amount of benefits in cases open at the time of such reclassification shall continue to be determined using the standards in effect in the former locality grouping at the time of the reclassification.

D. The State Board shall approve the request if:

1) within a locality and adjacent localities, it will achieve a higher degree of equity in public assistance payments; and

- 2) the data demonstrates that there is a disproportionate number of TANF recipients in the locality when compared to adjacent localities, in the case of a locality requesting a change to a lower locality grouping; and
- 3) funds are available for increased costs.

I certify that this regulation is full, true, and correctly dated.
