Alternatives

Please describe any viable alternatives for achieving the purpose of the regulation that were considered as part of the periodic review. Include an explanation of why such alternatives were rejected and why this regulation is the least burdensome alternative available for achieving its purpose.

No viable alternatives for achieving the purpose of the existing regulation could be determined. The regulation enables the Board to fulfill the statutory requirements established in Chapter 23.3 of Title 54.1, and Chapter 22 of Title 55.1 of the Code of Virginia. Further, the regulation is necessary to ensure that the Board's statutory requirements are executed in the least burdensome and most efficient and cost effective manner possible while protecting the welfare of the citizens of Virginia.

Effectiveness

Pursuant to § 2.2-4017, please indicate whether the regulation meets the criteria set out in Executive Order 14 (as amended, July 16, 2018), including why the regulation is (a) necessary for the protection of public health, safety, and welfare, and (b) is clearly written and easily understandable.

The regulation meets the criteria set forth in Executive Order 14 (2018). The regulation contains the requirements to obtain and maintain a registration for a time-share, time-share exchange program, alternative purchase, or time-share reseller in Virginia, and provides for standards of conduct for time-share developers and time-share resellers. The regulation is necessary to interpret and apply the requirements imposed upon the Board by the Virginia Real Estate Time-Share Act, and to protect the public welfare, in part by assuring full and accurate disclosure in the offering and disposition of time-share interests, exchange programs, and alternative purchases. The regulation is clearly written and understandable. The regulation is designed to achieve its objective in the most efficient and cost effective manner.

Decision

Please explain the basis for the rulemaking entity's decision (retain the regulation as is without making changes, amend the regulation, or repeal the regulation).

The agency is recommending that the regulation stay in effect without change.

Small Business Impact

As required by § 2.2-4007.1 E and F of the Code of Virginia, include a discussion of the agency's consideration of: (1) the continued need for the regulation; (2) the nature of complaints or comments received concerning the regulation from the public; (3) the complexity of the regulation; (4) the extent to the which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and (5) the length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation. Also, discuss why the agency's decision, consistent with the stated objectives of applicable law, will minimize the economic impact of regulations on small businesses.

Sections 54.1-2349 and 55.1-2247 of the Code of Virginia mandate the Common Interest Community Board promulgate regulations. The continued need for the regulation is established in statute. Repeal of the regulation would remove the current public protections provided by the regulation.

The Common Interest Community Board provides protection to the public welfare of the citizens of the Commonwealth by assuring full and accurate disclosure in the offering and disposition of time-share interests, time-share exchange programs, and alternative purchases, and establishing standards of conduct for time-share developers and time-share resellers.

Since no complaints or comments were received during the public comment period, there does not appear to be a reason to amend or repeal the regulation. The regulation is clearly written, easily understandable, and does not overlap, duplicate or conflict with federal or state law or regulation.

This regulation became effective on March 1, 2016, and this is the first periodic review of the regulation. On December 5, 2019, the Board discussed the regulation and, for the reasons stated in this section, determined through proper unanimous vote that the regulation should not be amended or repealed, but should be retained in its current form.
