

CLEAN ENERGY ADVISORY BOARD

DRAFT MEETING MINUTES

November 18, 2025 (Tuesday)

1:30PM – 3:30PM

Main Library – Richmond Public Library
Richmond, Virginia

Call to Order

Thomas Turner, Board Chair, called the meeting to order at 1:35 PM.

Roll Call

Present: Thomas Turner, Sam Brumberg, Director Glenn Davis, Palash Sagakar, Kwasi Fraser, Philip Cunningham, Dana Wiggins, Amir Kirkwood, Taylor Brown, Will Cleveland

Virginia Energy Staff: Rabita Banee, Marcus Reed

Last Meeting Minutes

Board members accepted meeting minutes from the last meeting. Motion accepted.

Vice Chair Reappointment

Amir Kirkwood self-nominated to be the Vice Chair. Motion made by Thomas Turner to approve Amir Kirkwood to be the new Vice Chair. Motion seconded by Phil Cunningham. All voted in favor and motion passed.

Update on Action Items

- **Number of members:** It was 9 members. Director Davis advises to have eleven members instead of nine to make the board more robust in representing clean energy, with the anticipation of the new administration's steps towards clean energy technology.
- **CEAB Legislation:** The Board discussed the draft legislation language from the last meeting and suggested some changes to it. Kwasi Fraser, in particular, suggested edits via email on 11/17/2025 at or about 7:29 pm, in § 45.2-1914. Membership; terms; quorum; meetings, and Board Power and Duties – which was amended and accepted by the body. (Attached at the bottom of the document). Motion to amend language was passed.
- Thomas Turner and Director Davis would write a letter.

Board Next Steps

The Board aims to meet after the 2026 GA session and would try to meet more frequently.
