Mindy Spruill gave a handout on Sewage Disposal Systems to the Board members for consideration. She gave the Board some information; from the last report that was given in December, approximately 1,500 Regulators had this specialty and we removed SDS from approximately 700 licensees. Of those 40 had to be cancelled due to no other specialty. Three reminder letters had been sent out to assist them with coming into compliance. Currently reviewing for accuracy and compliance on lead and asbestos, (this is a manual process). It appears about 300 are out of compliance for LAC and ASC. LAC has about 221 licenses and about 118 are not in compliance. ASB have about 338 licenses. About 211 and not in compliance. The Board for Waterworks, Waste Waterworks Operators and On-Site Sewage System Professionals (WOOSSSP) has been conducting seminars throughout Virginia and many contractors have been approaching their representatives and asking how to have the specialty put back on the license. Specialty addition applications have been distributed as requested and the licensing staff has seen a slight increase in the number of applications being submitted. Only a few applicants have been requesting waivers, but those forwarded to WOOSSSP for processing as the Qualified Individual on contractor licenses holding the SDS specialty must have a license from that board.

**SDS/OSSP
Letter**

After further discussion **Mr. Redifer** offered a motion seconded by **Mr. Middleton** to give an additional 180 day to come into compliance.

Members voting “yes” were: **Chowdhuri, Dowdy, Dyer, Hux, Giesen, Magruder, Middleton, Mitchell, Oliver, Pace, Redifer, Smith, Trenary and Vander Pol. Ayres was absent.** There were no negative votes. The motion passed unanimously.

Mr. Olson reported that: since the Board has taken over as the sole provider for remedial education, staff has conducted 14 classes that were attended by 138 licensees. The total amount would be higher except that when the first three classes were offered, licensees had the option of two other approved providers. After April 1, 2014 only the board’s class could be taken to satisfy the requirement. Additionally, the February class had ten individuals reschedule due to inclement weather in their area. Feedback from the participants is very favorable and several have made a point to state that they would like to have had the pre-license class be as informative. For this reason, Board staff will be holding two voluntary seminars for pre-license education providers in the summer of 2015 to help them develop courses that would be the most beneficial to students and to the board. No action was taken by the Committee. The Board took no action.

**Remedial

Contractor Specialties –amendment package: the proposed regulations are awaiting approval by the Governor.

Application Integrity (Individual and Contractor) NOIRA –is awaiting approval by the Governor.

Continuing Education NOIRA- has not yet been submitted by staff.

Jay DeBoer updated the Board. We are not aware of any proposals or changes for 2015 that will directly affect the Board for Contractors.

Mindy Spruill gave a handout to the board members for review and consideration. The Board reviewed and compared Tennessee’s Business and Law exam with Virginia’s Class A and B Business exams (Advanced and General only). The Board reviewed and compared Tennessee’s Commercial Contractor exam with Virginia’s Building Technical exam.

After discussion a motion was offered by **Mr. Oliver** and seconded by **Mr. Middleton** to accept Tennessee’s testing. The approval of the Business and Law exam specified that those contractors would still be required to complete the Virginia portion of the Class A and B exams.

Members voting “yes” were: **Chowdhuri, Dowdy, Dyer, Hux, Giesen, Magruder, Middleton, Mitchell, Oliver, Pace, Redifer, Smith, Trenary and Vander Pol.** **Ayres was absent.** There were no negative votes. The motion passed unanimously.

John Tyler Community College – John Tyler Community College – Request

John Tyler wants us to keep track of how many students they teach that get licensed. Board members discussed this concern and the potential cost of trying to honor this request. . After discussion the Board asked Staff to research the cost of providing this information. Eric Olson will look into this with DPOR’s Information Systems Department. He will report back to the Board in April.

Mr. Olson conducted New Board member training.

The Board members were reminded by Ms. Watkins’ to complete their Conflict of Interest Statements as required by the Secretary’s Office.

Sheila Watkins requested the board members to complete their travel vouchers and Conflict of Interest forms and to give them to her or **Karen**
