Current Authority for CBCs (DHP)

- Virginia Code § 54.1-3005.1 (Effective 1/1/16):
The Board shall require each applicant for licensure as a practical nurse, registered nurse or licensed massage therapist to submit fingerprints and provide personal descriptive information to be forwarded along with his fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information...
- Virginia Code § 54.1-3442.6 (Starting in 8/18):
The Board shall require an applicant for a pharmaceutical processor permit to submit to fingerprinting and provide personal descriptive information to be forwarded along with his fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information...

Licensed Massage Therapist added effective January 1, 2017.

How?

- **Fingerprint-based** and entail a state (through Virginia State Police or VSP) and FBI (national) search.
- DHP CBC vendor is Fieldprint VA.
- Applicants request fingerprint appointment through **Fieldprint VA** (secure web-based portal).
- Fingerprinting is done via electronic transmission or *Live Scan* service.
- *Live Scan* service is available to our applicants in over 1,200 sites around the US, Virgin Islands and Puerto Rico.

Why?

- Required by law.
- Fingerprint-based CBCs are objective and reliable.
- Casts a wider 'net' to include more than just single state criminal history information.
- Applicants with criminal histories may omit information on applications.
- Allows better 'vetting' of applicant backgrounds in the interest of public safety.

What?

- **Criminal background check (CBC)** –using fingerprints (biometrics), a search for evidence of an individual's criminal history in the national criminal history record files (FBI) and state criminal justice data repositories (VSP).
- **Criminal conviction record** means criminal history information obtained from a variety of sources pertaining to an individual's conviction of a crime.
- **Source Documents** - Includes arrest reports, charging documents, pre-sentence reports, plea agreements, sentencing reports, court conviction documents, probation reports.
- **FBI identification record**-a listing of certain information taken from fingerprint cards, submitted to and retained by the FBI. If a criminal offense, the identification record includes the date arrested or received, the arrest charge, and the disposition of the arrest if known to the FBI *and as submitted* by agencies having criminal justice responsibilities.
- **RAP Sheet**-Record of Arrests and Prosecution as maintained by state and federal databases (e.g. FBI/VSP).

What is a considered a Criminal Conviction?

- The final judgement on a verdict or finding of guilty, plea of guilty, or a plea of *nolo contendere* and does not include a final judgment which has been *expunged* by pardon, reversed, set aside or otherwise rendered nugatory (See Black's Law Dictionary).
- In Virginia, a "conviction" occurs upon a verdict or finding of guilt, the pronouncement of sentence, and the entry of the final order by the trial court (See Rule 1:1 Virginia Supreme Court).

Disclosure

License/Permit Applicants are required to disclose:

- Any convictions (as defined).

Applicants are not required to disclose:

- Arrests if not convicted and no further action resulted from the arrest(s).
- However, if an applicant was fingerprinted upon arrest for a criminal offense, it will show up on a 'RAP' sheet.

How long?

DHP receives CBC Results:

- **24-48 hours** to receive electronic response for those applicants **without** arrest/conviction history.
- **15-30 days** to receive 'hard copy' results for those applicants **with** arrest/conviction history mailed to DHP CBC Unit by VSP.

CBC Results

Results are screened by CBC Unit for all Boards to determine:

- o if contains any convictions;
- o if convictions align with information disclosed on current/previous licensure application(s) (if information is not aligned, summary memo generated to applicant).
- o if final review/approval is required by Board.

For ROP: if contains felony or misdemeanor convictions precluding approval for permit as pharmaceutical processor under [§ 54.1-3007](#).

For BON: if contains felony conviction or on a 'case by case basis' a misdemeanor conviction related to nursing practice under [§ 54.1-3007](#). (may not be eligible for a nursing license with multi-state privilege).

Convictions Referred for Board Actions under [§ 54.1-3007](#)

- Conviction of any felony or any misdemeanor involving "moral turpitude" (lying, cheating, stealing, etc.).
- Convictions that indicate a possible impairment or pattern of impairment (DUI, drug possession, etc.).
- Convictions not disclosed on current or previous applications.
 - Failure to disclose convictions may be considered *fraud or deceit in procuring or attempting to procure a license.*

Screening Applications for Determination

For Nursing:

- License applications are screened case by case and there are NO absolute bars to obtaining a nursing or massage therapist license. However, the following factors are considered:
 - Number and/or pattern of convictions.
 - Nature of convictions.
 - Recency of convictions (See: [BON Guidance 90-10](#) and [BON Guidance 90-59](#)).
- RN/LPN license applications are screened for felony convictions and misdemeanor convictions related to nursing practice. If determined, applicant is only eligible for a single state license (VA only), as part of the new [Uniform Licensure Requirements \(ULRs\)](#) under the [Enhanced Nurse Licensure Compact \(eNLC\)](#).

For Pharmacy:

- Applicants with any felony conviction(s) or any offense referenced in section F of [Virginia Code § 54.1-3442.6](#) are not eligible for a permit to operate a pharmaceutical processor.

See also DHF Joint Statement with the VBON with regard to the impact of criminal histories on licensure (or employment) at: [1/18/17 DHF Joint Statement Doc 11-15.doc](#)

On the Horizon

CBCs for Board of Physical Therapy:

- Board of Physical Therapy contemplating entering the Physical Therapy Compact which would require CBCs for licensure applicants similar to requirements of Enhanced Nurse Licensure Compact (eNLC).
- CBC requirement would have to be included in any proposed legislation to revise laws/regulations.
