Public Comment

No public comment was received by the Board office prior to the August 19, 2020 5:00 p.m. deadline.

**Approval of
Minutes**

On properly seconded motion by Dr. Clayton-Jeter, the minutes from the June 25, 2020 meeting were approved as presented.

Director's Report

Dr. Brown stated that the Department has held several virtual meetings since the onset of COVID-19 and the closing of the Perimeter Center Building to the public. DHP is following government mandated protocols to keep individuals safe and leveraging teleworking to the extent possible. The Enforcement and APD divisions and the Boards are keeping abreast of the incoming cases and disciplinary hearings.

Legislative and Regulatory Report

Ms. Yeatts provided an overview of current legislative and regulatory actions. She also noted that the change made to the Boards Bylaws (Guidance document 75-4) are effective today.

Board Chair Report

Dr. Jones, Jr., thanked Dr. Stewart for filling in as Chair for the June 25, 2020 meeting. He thanked staff for all their efforts in keeping the boards up and running during this pandemic. He noted that the Fall election of officers will usher in the new position of 2nd Chair.

Board Study Into the Need to Regulate Diagnostic Medical Sonographer

Mr. Wells provided an overview of the Diagnostic Medical Sonographer study findings. He advised that after reviewing the study materials that the Regulatory Research Committee deemed that Criterion One: Risk for Harm to the Consumer was not met. There was insufficient evidence of harm attributable to the practice of diagnostic medical sonography by individuals credentialed to justify their regulation by the state. However, the Regulatory Research Committee did have concern about the use of 3-D ultrasound medical devices by unlicensed people taking "Keepsake" fetal sonograms. This matter is being referred to the full Board for further discussion.

Motion: Dr. Doyle moved and Dr. O'Connor seconded acceptance of the Regulatory Research Committee's findings.

Discussion and Amended Motion: Upon discussion, an amendment was made to the original motion to table the discussion of the fetal imaging concerns to the November 10, 2020 agenda. The motion was properly seconded, all members voted in favor, none opposed.

**Board Study
into the Need to
Regulate
Naturopathic
Doctors**

Mr. Wells provided an overview of the Naturopathic Doctor study findings. He stated that the Committee found sufficient evidence of all six criterion and recommended, under criterion seven, licensure of the profession. The Committee requested that the scope of practice include physical exams, ordering lab tests and interpretation of lab tests, ordering x-rays or other videography but with the interpretation by another qualified practitioner. Further, there should be no prescriptive authority for legend drugs. The profession should be regulated under the Board of Medicine. Also, lay practitioners who are not licensed under this chapter should not be precluded from (i) providing natural health consulting on Ayurvedic medicine, traditional naturopathic therapies, herbalism, nutritional advice, or homeopathy, or (ii) from selling vitamins and herbs, provided the person or lay practitioner does not use any title prohibited under § 54.1-2956.14.

A motion to approve the Committees recommendations was made by Mr. Salay and properly seconded.

After discussion and review of the Criteria, the Board voted on the Committee's recommendations. Five members (Dr. Doyle, Ms. Hershkowitz, Mr. Salay, Dr. Rackets, and Mr. Wells) were in favor of licensure, six members (Dr. O'Connor, Dr. Clayton-Jeter, Mr. Logan, Dr. Jones, Jr., Dr. Stewart, Mr. Chaudhary) opposed licensure. The motion failed.

**Executive
Director's
Report**

Due to time constraints, Dr. Carter requested that the Executive Director's Report be carried over to the November 10, 2020 meeting.

**Healthcare
Workforce Data
Center**

Due to time constraints, Dr. Carter requested that the Healthcare Workforce Data Center report also be carried over to the November 10, 2020 meeting.

**Individual
Board Reports**

Board of Medicine - Dr. O'Connor stated that the Board cancelled all June meetings and had just recently begun board hearings. He provided that disciplinary hearings are stacking up so the October meeting (hopefully to be held in person) will have a full schedule to include informal conferences. Dr. O'Connor commended Board staff for keeping up with credentialing of the boards professions.

**Virginia Board of Nursing
Report to the Board of Health Professions Meeting
August 20, 2020**

The Board of Nursing resumed “in person” hearings July 21, 2020. It continues to conduct hearings in person, with carefully managed public health precautions. The Board will initiate virtual Business Meetings in October.

The National Council of State Boards of Nursing (NCSBN) held a virtual Delegate Assembly on August 12, 2020. Marie Gerardo, First Vice-President of the Board and I served as Virginia’s Delegates. The Assembly approved a revised APRN (Advanced Practice Registered Nurse) Compact, with the hope of having seven states approve it, which will allow it to move forward. As BHP members may be aware, the Nurse Licensure Compact, which provides for multi-state licensure of RNs and LPNs is currently in effect in 33 states, including Virginia, with more states pending legislative approval.

Of significant note, Jay P. Douglas, Executive Director of the Virginia Board of Nursing was elected President-Elect of NCSBN, taking office on August 12, 2020 for a two-year term before becoming President. Ms. Douglas has previously served on the NCSBN Board of Directors as Region III Director.

Respectfully submitted,

Louise Hershkowitz, CRNA, MSHA

 - o Voted to forgo CE audit for previous licensure period due to the pandemic and staff resources. The Board took no action to adjust the CE requirements for the current licensure period. Although the regulations require real-time, interactive activities where the presenter and the licensee must be able to interact, the Board discussed that the requirements are written in a manner to permit virtual activities.
 - o Voted to resubmit legislation to “clean-up” Optometry statute to remove outdated language.
