The Department fully complies with the Americans with Disabilities Act.

DPOR – Who We Are:

DPOR issues professional credentials—licenses, certificates or registrations—in the least intrusive, least burdensome and most efficient way. Our goal is to ensure the *minimum competency* necessary to practice without harming the public, not to enhance professional stature or limit competition by keeping newcomers out. Policy boards determine the minimum standards necessary to enter a profession, and qualify applicants based on a combination of **education, experience and examination.**
