Preface		
Public comments	<ol style="list-style-type: none"> 1. Difficulty in for rural areas agencies to comply with time response standards. Developing an EMS Response Plan should suffice. 2. Publishing response statistics may be detrimental to small rural agencies 3. Appreciative in removing the firearms prohibition. 4. A financial impact may exist for small rural agencies in implementing a drug and substance abuse policy. 5. Requiring agencies to notify their local PSAP if unable to respond is counterintuitive. 6. Pleased with effort to develop responsive regulations for EMS system.
